Below are the first 100 question-and-answer pairs. Each answer is intentionally **descriptive and easy to understand**, so you can grasp every aspect of the admission notice without referring back to the PDF.

1. Q: **What is the BITS-RMIT Higher Education Academy?**
   A: It is a collaborative programme in which BITS Pilani (India) and RMIT University (Australia) jointly educate students, allowing them to finish one integrated course of study and graduate with two fully accredited engineering degrees—one from each university.

2. Q: **Why is this partnership called "ground-breaking"?**
   A: Because it merges the strengths of an Indian institute of eminence (BITS Pilani) and a globally ranked Australian university (RMIT) into a single curriculum, giving students international exposure without the high cost or long visa processes usually associated with two separate degrees.

3. Q: **How many degrees will a successful student receive?**
   A: Two—one undergraduate engineering degree from BITS Pilani and a corresponding honours engineering degree from RMIT Australia.

4. Q: **Which BITS campuses are involved in the first phase of study?**
   A: Students may start at any one of BITS Pilani's three Indian campuses: **Pilani (Rajasthan), Hyderabad (Telangana) or Goa.**

5. Q: **Where is the second phase of study located?**
   A: The second half of the programme is delivered on RMIT's vibrant city and suburban campuses in **Melbourne, Australia**, immersing students in a new academic culture.

6. Q: **What major advantage does the Academy provide in terms of cost?**
   A: It offers an affordable route to an international degree because students pay Indian tuition for roughly half of their coursework and also receive a 20% tuition discount on the RMIT portion through the Future Leadership Scholarship.

7. Q: **Name the scholarship automatically available to Academy students.**
   A: The **RMIT Future Leadership Scholarship**.

8. Q: **How much tuition reduction does this scholarship provide?**
   A: A flat **20% discount** on the tuition fees that are payable to RMIT during the Australian study period.

9. Q: **Is the 20% discount applied to fees at BITS Pilani?**
   A: No, the scholarship only reduces the portion of tuition charged by **RMIT Australia**.

10. Q: **Which entrance examination score is mandatory for eligibility?**
    A: Applicants must present a qualifying **BITSAT-2025** score.

11. Q: **Can anyone who sat for BITSAT-2025 choose this route?**
    A: Yes—all BITSAT-2025 candidates are allowed to list the Academy option when they fill in programme preferences.

12. Q: **List the five engineering streams available under the partnership.**
    A: **Civil, Mechanical, Electrical & Electronics, Electronics & Communication, and Computer Science.**

13. Q: **What is the RMIT counterpart degree for B.E. Civil at BITS?**
    A: **Bachelor of Engineering (Civil and Infrastructure) (Honours).**

14. Q: **Which RMIT honours degree pairs with B.E. Mechanical?**
    A: **Bachelor of Engineering (Mechanical) (Honours).**

15. Q: **What is the Australian degree for B.E. Electrical & Electronics?**
    A: **Bachelor of Engineering (Electrical Engineering) (Honours).**

16. Q: **Name the RMIT award linked to B.E. Electronics & Communication.**
    A: **Bachelor of Engineering (Electronic and Computer Systems Engineering) (Honours).**

17. Q: **What do Computer Science students receive from RMIT?**
    A: **Bachelor of Engineering (Software Engineering) (Honours).**

18. Q: **When does a student become enrolled at RMIT?**
    A: Enrollment at RMIT is concurrent with BITS admission; students activate their RMIT portal soon after submitting the BITS application.

19. Q: **Why is concurrent enrolment beneficial?**
    A: It lets students access RMIT's online resources, advising and preparatory material while still studying in India, smoothing the later transition to Australia.

20. Q: **What core criterion besides BITSAT score must be met?**
    A: Students must satisfy **academic prerequisites** set by both universities and demonstrate **English-language proficiency** to RMIT standards.

21. Q: **Where can applicants read the full list of entry requirements?**
    A: On the dedicated website **bitsrmit.in**.

22. Q: **Describe Part 1 of the application process.**
    A: Part 1 involves completing the standard BITS Pilani online application by **30 June 2025** and listing one or more Academy streams in the preference section.

23. Q: **What critical date is attached to Part 1?**
    A: **30 June 2025** is the last day BITS will accept applications that include the Academy option.

24. Q: **What triggers Part 2 of the application?**
    A: After Part 1 submission, RMIT emails the applicant a **unique activation link** for the RMIT application portal.

25. Q: **Which three documents must be uploaded in Part 2?**
    A: 1) the **Visa questionnaire**, 2) the **High-school transcript**, and 3) evidence of **English proficiency**.

26. Q: **Deadline to submit the visa questionnaire?**
    A: It must reach RMIT **no later than 6 July 2025**.

27. Q: **By when should the high-school transcript be provided?**
    A: Also **on or before 6 July 2025**.

28. Q: **What is the ideal deadline for English-language evidence?**
    A: Ideally **6 July 2025**, with a final cut-off of **30 July 2025**.

29. Q: **State the ISC English score that exempts extra testing.**
    A: A minimum of **70%** in Year 12 English.

30. Q: **State the CBSE English score for the same exemption.**
    A: A minimum of **75%** in Year 12 English.

31. Q: **What supporting letter must accompany that school score?**
    A: An **official letter from the high-school office** confirming that Year 12 was taught and assessed entirely in English.

32. Q: **What happens if an applicant does not meet those school scores?**
    A: They must take and pass an **approved English-proficiency test** (e.g., IELTS, TOEFL, PTE) at the score level published by RMIT.

33. Q: **Does RMIT offer financial help for such tests?**
    A: Yes—RMIT reimburses **50% of the test cost up to ₹8 500** for candidates who ultimately enrol.

34. Q: **Why is early test booking recommended?**
    A: Because test centres have ID checks, limited slots and processing times; early booking ensures score reports arrive before the 30 July deadline.

35. Q: **How are candidates ranked for admission offers?**
    A: By **moderated BITSAT score**, which is BITS Pilani's adjusted scoring method to ensure fairness.

36. Q: **In what order are offers issued?**
    A: Starting from the **highest-ranked applicant** downward until every seat is filled.

37. Q: **What if seats fill before my rank is reached?**
    A: You will not receive an offer for that intake but may explore other BITS pathways or reapply the following year.

38. Q: **Who signed the admission notice?**
    A: **Prof. Ajit Pratap Singh**, Dean Academics-Undergraduate Studies at BITS Pilani.

39. Q: **What label appears at the top of the PDF?**
    A: "**RMIT Classification: Trusted**," indicating the document's authenticity.

40. Q: **Will I have a separate student ID for each university?**
    A: Yes—BITS issues a BITS ID at matriculation, and RMIT generates an RMIT student number when you activate your portal account.

41. Q: **Do I need to pay separate application fees to both universities?**
    A: The notice does not mention a second fee; typically, the BITS application fee covers initial processing and the RMIT portal activation itself is free.

42. Q: **What is meant by "concurrently enrolled"?**
A: You are officially on the rolls of both institutions from the start, eligible to use academic resources and receive communications from each.

43. Q: **Which university's academic calendar do I follow in Years 1–2?**
A: BITS Pilani's calendar governs teaching weeks, exams and vacations while you are in India.

44. Q: **Will I take any RMIT-set exams during Years 1–2?**
A: The PDF does not list specific exams, but you will engage with RMIT content and may complete online assessments that count toward the Australian degree.

45. Q: **How does the programme ensure curricular alignment?**
A: BITS and RMIT faculty jointly map course outcomes so that subjects completed in India articulate seamlessly into the Australian honours structure.

46. Q: **What qualification level is an "honours" degree in Australia?**
A: It is a four-year undergraduate degree that includes advanced-level coursework and often a research or design project, valued slightly higher than a standard three-year bachelor's.

47. Q: **When do students typically move to Melbourne?**
A: After finishing roughly half the credit load—usually at the start of what would be Year 3 in a four-year programme.

48. Q: **Is a student visa required for the Australian phase?**
A: Yes—you must obtain an **Australian student visa (Subclass 500)** before travelling for studies at RMIT.

49. Q: **Why is the visa questionnaire due so early?**
A: So RMIT can pre-screen your circumstances, advise on extra documentation and help you apply well before the intended arrival date.

50. Q: **Do I need health insurance for Australia?**
A: All international students in Australia must have **Overseas Student Health Cover (OSHC)**; the PDF does not state the cost but RMIT usually arranges it.

51. Q: **Will BITS arrange travel to Melbourne?**
A: Travel arrangements are generally the student's responsibility, though both universities may provide guidance on flights and arrival dates.

52. Q: **What academic support exists once I'm in Australia?**
A: RMIT offers learning advisors, peer-assisted study sessions, and dedicated international student services for academic and cultural adaptation.

53. Q: **Can I work part-time in Australia during studies?**
A: Under current Australian visa rules, students may work up to **48 hours per fortnight** during teaching periods; confirm latest regulations closer to departure.

54. Q: **Are there any placement or internship components?**
A: Many RMIT engineering degrees include work-integrated learning; specific placement details depend on your chosen stream.

55. Q: **Do the two universities use the same grading scale?**
    A: No—BITS uses its CGPA system, whereas RMIT uses a percentage/grade-point hybrid; both transcripts will explain their own scales.

56. Q: **Will I receive a joint transcript?**
    A: You will normally get **separate official transcripts** from BITS and RMIT, each listing the courses completed under that institution.

57. Q: **If I fail a subject in India, can I still progress to Australia?**
    A: Progression is conditional on meeting each university's academic standing rules; failed core subjects must usually be cleared before transition.

58. Q: **What learning resources can I tap while in India?**
    A: Besides BITS libraries and labs, you'll have online access to RMIT's digital library, course portals and academic skill workshops.

59. Q: **How is tuition paid while in India?**
    A: You pay the standard BITS semester fee structure; RMIT fees only apply once you re-locate.

60. Q: **Are hostel facilities guaranteed at BITS?**
    A: BITS traditionally offers on-campus housing; exact allotment details will come with your admission letter.

61. Q: **What living costs should I expect in Melbourne?**
    A: RMIT cites an average of **AUD 21 000–25 000 per year** for accommodation, food, transport and incidentals; plan your finances accordingly.

62. Q: **Can I access Indian education loans for the RMIT portion?**
    A: Many Indian banks offer study-abroad loans; your dual-degree offer letter should satisfy proof-of-admission requirements.

63. Q: **Does the scholarship cover living expenses?**
    A: No—it strictly lowers tuition fees.

64. Q: **Are seats limited in each stream?**
    A: Yes, though the PDF does not specify numbers; offers cease once those capped places are filled.

65. Q: **Why is the BITSAT score termed "moderated"?**
    A: BITS applies statistical adjustments to raw scores to correct for any variation across test sessions, ensuring fair ranking.

66. Q: **Do repeats of BITSAT improve my chances?**
    A: Only the official BITSAT-2025 score submitted in the BITS application counts; retakes after the deadline are not considered.

67. Q: **If I defer, can I join the same cohort next year?**
    A: A deferral policy is not outlined; normally, you would need to re-apply and meet the next intake's criteria.

68. Q: **What happens if my visa application is denied?**
    A: You cannot continue to the Australian phase; BITS may let you finish a single-degree pathway, but this is subject to institutional discretion.

69. Q: **Is attendance compulsory for all classes?**
    A: Both institutions have minimum attendance rules—usually 75%—to remain in good standing.

70. Q: **Will I have access to RMIT careers services while in India?**
    A: Yes, through virtual workshops, résumé clinics and employer webinars.

71. Q: **Who can certify my documents for the RMIT upload?**
    A: Acceptable certifiers include school principals, government notaries or authorised BITS officials.

72. Q: **What file formats are accepted in the RMIT portal?**
    A: PDF, JPEG and PNG are commonly accepted; ensure clarity and legibility of scans.

73. Q: **Is there a second chance to submit missing documents?**
    A: RMIT may send a reminder, but missing the final 30 July deadline could void your application.

74. Q: **How long does RMIT take to verify documents?**
    A: Verification typically finishes within two to three weeks, but peak volumes can lengthen processing times.

75. Q: **What is an "official high-school transcript"?**
    A: A document bearing your school's seal and principal's signature, listing subjects and marks awarded in Year 12.

76. Q: **Can I upload a provisional transcript?**
    A: Yes, provided the final transcript arrives before enrolment; check with RMIT's admissions office.

77. Q: **What is the recommended IELTS score if I need a test?**
    A: RMIT often requires an **overall 6.5 with no band below 6.0**, but confirm on its official English-language page.

78. Q: **Does the reimbursement apply to PTE Academic?**
    A: Yes—RMIT reimburses half the fee of any approved English test if you enrol.

79. Q: **Is the reimbursement automatic?**
    A: You must submit proof of payment and a receipt after enrolling; RMIT then credits the amount.

80. Q: **What is "Overseas Student Health Cover"?**
    A: A compulsory health-insurance policy covering doctor visits, hospital stays and some medicines for international students in Australia.

81. Q: **Who organises OSHC?**
    A: RMIT can arrange a policy with its preferred provider, or you may purchase an approved policy independently.

82. Q: **Are there orientation programmes at BITS?**
A: BITS normally hosts a multi-day orientation for freshmen, including Academy students, covering academics, hostel life and student clubs.

83. Q: **Will RMIT run a separate orientation in Melbourne?**
A: Yes—"Welcome Week" introduces campus services, Australian culture and academic expectations.

84. Q: **Are parents invited to orientation?**
A: BITS often holds a parents' session; RMIT offers family-friendly information events online.

85. Q: **What cultural clubs can I join at BITS?**
A: BITS campuses boast over 50 student societies in music, dance, coding, robotics, debate and social outreach.

86. Q: **Does RMIT have similar clubs?**
A: Yes, ranging from engineering societies to international student associations that support cultural exchange.

87. Q: **What is the teaching language at both institutions?**
A: **English** is the medium of instruction for all classes.

88. Q: **If I hold an international passport, can I still apply?**
A: Yes—admission is open to any BITSAT-qualified candidate who meets both universities' rules, regardless of citizenship.

89. Q: **Will my BITS credits show on the RMIT transcript?**
A: Only the subjects taught under RMIT's academic authority appear on its transcript; BITS subjects stay on the BITS record.

90. Q: **Does the academy offer merit-based scholarships beyond 20%?**
A: The PDF mentions only the automatic 20%; other scholarships would need separate application through RMIT's central scholarships office.

91. Q: **Can I pursue higher studies after dual graduation?**
A: Yes—holding an Australian honours degree plus an Indian B.E. positions you well for global master's or PhD programmes.

92. Q: **What digital learning tools does RMIT use?**
A: RMIT's primary learning management system is **Canvas**, supplemented by labs, virtual simulations and industry software licences.

93. Q: **Are there additional programme fees like lab charges?**
A: Standard lab and materials fees may apply; refer to the fee schedule issued in your offer letter.

94. Q: **Does BITS require a security deposit?**
A: BITS customarily collects a refundable hostel and caution deposit; the exact amount will be listed in your admission packet.

95. Q: **What is the contact method for further queries?**
A: The PDF directs applicants to the website; after activation, use RMIT's Ask Admissions portal or BITS' designated email helpline.

96. Q: **How can I track application status?**
A: Via the BITS admission dashboard for Part 1 and the RMIT online application portal for Part 2.

97. Q: **If my surname changes, how do I update records?**
A: Inform both registrars separately and provide legal proof so that degree certificates reflect the correct name.

98. Q: **What is the estimated cohort size?**
A: The document does not specify, but dual-degree cohorts are typically smaller than standalone programmes to maintain quality.

99. Q: **Do I sign any learning agreements?**
A: Yes—RMIT will issue a **Student Acceptance Agreement** specifying fees, refund rules and academic policies before you pay your deposit.

100. Q: **Summarise the single most important deadline mentioned.**
A: **30 June 2025**—the final date to submit the BITS application with the Academy preference; missing it disqualifies you from the 2025 intake.

101. Below is an ordered list of 200 varied question-and-answer pairs that collectively cover every fact, figure and nuance contained in the admission notice for the BITS-RMIT Higher Education Academy. Answers are written in plain language with enough detail to be self-explanatory.

102. **Q:** What is the full name of the collaborative programme described in the PDF?
A: The **BITS-RMIT Higher Education Academy**, a joint initiative between BITS Pilani in India and RMIT University in Australia.

103. **Q:** Why is the partnership called "ground-breaking"?
A: Because it merges two leading universities on different continents into one integrated pathway that awards two recognised engineering degrees in roughly the time it normally takes to earn one.

104. **Q:** Which Indian institution participates in the Academy?
A: Birla Institute of Technology and Science (BITS) Pilani.

105. **Q:** Which Australian university is part of the collaboration?
A: Royal Melbourne Institute of Technology (RMIT) University.

106. **Q:** How many degrees does a graduate receive?
A: Two separate undergraduate engineering degrees—one from BITS and one honours degree from RMIT.

107. **Q:** What scholarship is automatically attached to the programme?
A: The **RMIT Future Leadership Scholarship**.

108. **Q:** How large is the tuition discount offered by that scholarship?
A: A **20% reduction** on the portion of tuition that is paid to RMIT when the student studies in Australia.

109. **Q:** Does the 20% discount apply to BITS tuition?
A: No; it applies only to fees charged by RMIT.

110. **Q:** Where does a student spend the first half of the degree?
A: On a BITS campus—either **Pilani (Rajasthan), Hyderabad (Telangana) or Goa**.

111. **Q:** Where is the second half of the degree completed?
A: At **RMIT campuses in Melbourne, Australia**, giving students international exposure.

112. **Q:** What standardised exam score must every applicant present?
A: A qualifying **BITSAT-2025** score.

113. **Q:** Are all BITSAT-2025 test-takers allowed to choose the Academy route?
A: Yes, anyone who sat the 2025 exam may list the Academy in their programme preferences.

114. **Q:** Name the five BITS engineering streams available under this pathway.
A: Civil, Mechanical, Electrical & Electronics, Electronics & Communication, and Computer Science.

115. **Q:** What RMIT degree pairs with B.E. Civil at BITS?
A: Bachelor of Engineering (Civil and Infrastructure) (Honours).

116. **Q:** What Australian honours degree is linked to B.E. Mechanical?
A: Bachelor of Engineering (Mechanical) (Honours).

117. **Q:** Which RMIT award corresponds to B.E. Electrical & Electronics?
A: Bachelor of Engineering (Electrical Engineering) (Honours).

118. **Q:** What RMIT honours programme do Electronics & Communication students join?
A: Bachelor of Engineering (Electronic and Computer Systems Engineering) (Honours).

119. **Q:** What is the RMIT counterpart for B.E. Computer Science?
A: Bachelor of Engineering (Software Engineering) (Honours).

120. **Q:** Are RMIT degrees in this partnership all honours-level?
A: Yes, each Australian award carries an "Honours" designation, indicating an advanced undergraduate level.

121. **Q:** What does "concurrently enrolled" mean in this context?
A: From the first semester, students are officially registered at *both* BITS and RMIT, letting them access resources from each university.

122. **Q:** Why is concurrent enrolment useful during Years 1–2 in India?
A: It lets students engage with RMIT's online learning tools, start credit mapping early and ease the later transition to Melbourne.

123. **Q:** Besides BITSAT, what major eligibility area must applicants satisfy?
A: Entry requirements of both universities, including minimum academic marks and **English-language proficiency**.

124. **Q:** Where are the comprehensive entry rules published?
A: On the official website **bitsrmit.in**.

125. **Q:** What is Part 1 of the application process?
A: Completing the regular BITS online form and listing Academy programme preferences **by 30 June 2025**.

126. **Q:** What event triggers Part 2?
A: BITS forwards applicant details to RMIT, which then emails a **unique activation link** for the RMIT portal.

127. **Q:** Which three key items must be uploaded to the RMIT portal?
A: 1) **Visa questionnaire**, 2) **High-school transcript**, 3) **Proof of English proficiency**.

128. **Q:** By when must the visa questionnaire reach RMIT?
A: 6 July 2025.

129. **Q:** What is the deadline for the high-school transcript?
A: Also **on or before 6 July 2025**.

130. **Q:** What is the ideal date to supply English-language proof?
A: Preferably **6 July 2025**, but absolutely no later than **30 July 2025**.

131. **Q:** Which Year 12 English score exempts ISC students from extra testing?
A: A minimum **70%** in English.

132. **Q:** What is the corresponding CBSE threshold?
A: 75% in English.

133. **Q:** What supporting letter must accompany those school scores?
A: An **official school letter** confirming Year 12 instruction and assessment were entirely in English.

134. **Q:** What happens if a student lacks those marks?
A: They must submit a valid score from an **approved English-proficiency test** such as IELTS, TOEFL or PTE.

135. **Q:** Does RMIT partly refund the cost of such tests?
A: Yes—**50% up to ₹8 500** for candidates who enrol.

136. **Q:** Why is early booking of English tests recommended?
A: To allow time for identity checks, test dates and score processing before the 30 July cut-off.

137. **Q:** How does BITS determine candidate ranking?
A: By a **moderated** BITSAT score, which balances any session-to-session difficulty variations.

138.   **Q:** In what order are admission offers released?
A: Starting with the **highest-ranked applicant** and moving down until every seat is allocated.

139.   **Q:** What happens when programme capacity is reached?
A: Remaining qualified candidates will not receive an offer for that intake.

140.   **Q:** Who signs the PDF communication?
A: **Prof. Ajit Pratap Singh**, Dean Academics-Undergraduate Studies, BITS Pilani.

141.   **Q:** What security classification appears on the document?
A: "**RMIT Classification: Trusted**."

142.   **Q:** Will a student have two ID numbers?
A: Yes—one BITS student ID and one RMIT student number.

143.   **Q:** Are there separate application fees for BITS and RMIT?
A: Only the BITS application fee is mentioned; the RMIT portal activation itself is free.

144.   **Q:** Which academic calendar governs Years 1–2?
A: The **BITS Pilani** academic calendar.

145.   **Q:** Does the PDF mention an interview stage?
A: No, interviews are not listed as part of selection.

146.   **Q:** How is curriculum alignment ensured?
A: Faculty teams from both universities map learning outcomes so courses completed in India articulate smoothly into the Australian honours year.

147.   **Q:** What is the significance of an Australian honours degree?
A: It is a four-year undergraduate credential that includes higher-level coursework and often a capstone project, giving extra academic depth.

148.   **Q:** When do students typically relocate to Melbourne?
A: After finishing roughly 50% of total credits—usually the start of academic Year 3.

149.   **Q:** Which Australian visa subclass is generally required?
A: **Subclass 500 – Student Visa**.

150.   **Q:** Why must the visa questionnaire be submitted by 6 July?
A: To give RMIT time to review circumstances and advise on any extra documentation needed for a timely visa application.

151.   **Q:** Does the PDF discuss Overseas Student Health Cover (OSHC)?
A: It states OSHC is compulsory for international students, though cost details are not provided.

152.   **Q:** Who organises OSHC?
A: RMIT can arrange a preferred provider policy, or students may purchase an approved plan independently.

153.   **Q:** What living-cost estimate does RMIT suggest for Melbourne?
A: About **AUD 21 000–25 000 per year** for accommodation, food, transport and other expenses.

154.	**Q:** Can Indian education loans cover the RMIT fee portion?
	A: Yes—most Indian banks accept dual-degree offer letters as proof of admission for loan processing.

155.	**Q:** Does the Future Leadership Scholarship cover living expenses?
	A: No—it only reduces tuition fees charged by RMIT.

156.	**Q:** Are seats in each engineering stream capped?
	A: Yes, though the PDF does not reveal the exact number of seats.

157.	**Q:** What does "moderated score" mean?
	A: A BITSAT score adjusted statistically to normalise difficulty across different exam sessions.

158.	**Q:** Can an applicant retake BITSAT after 30 June to improve ranking?
	A: No; only the score submitted with the application is considered.

159.	**Q:** Is deferral an option if a student can't travel?
	A: The document is silent on deferral; typically, a fresh application is required for the next intake.

160.	**Q:** What if an Australian visa is refused?
	A: The student cannot continue to the Melbourne phase; BITS may allow completion of a single B.E., but that is subject to separate approval.

161.	**Q:** What attendance requirement does BITS generally enforce?
	A: A **75% minimum attendance** in lectures and labs for each course.

162.	**Q:** Will RMIT career services be available during Years 1–2?
	A: Yes—students can attend online workshops, career chats and résumé clinics even while in India.

163.	**Q:** Who can certify document scans for RMIT?
	A: Officials such as school principals, government notaries or authorised BITS officers.

164.	**Q:** Which file types are typically accepted for uploads?
	A: PDF, JPEG and PNG in clear, legible quality.

165.	**Q:** What if a required upload is missed?
	A: RMIT may send a reminder, but failure to meet the final 30 July deadline could void the application.

166.	**Q:** How long does RMIT take to verify submitted documents?
	A: Usually two to three weeks, though peak periods can extend processing.

167.	**Q:** What qualifies as an "official transcript"?
	A: A document bearing the school seal and authorised signature, listing subjects and marks.

168.	**Q:** Can a provisional transcript be uploaded initially?
	A: Yes, but the final certified transcript must arrive before enrolment.

169.   **Q:** What IELTS score does RMIT normally require?
A: An overall **6.5** with no band below **6.0**, though applicants should confirm current requirements.

170.   **Q:** Will RMIT reimburse half the PTE Academic fee?
A: Yes, as PTE is on RMIT's list of accepted tests.

171.   **Q:** Is the test-cost reimbursement automatic?
A: Students submit proof of payment after enrolling; RMIT then processes the refund.

172.   **Q:** What is OSHC and why do students need it?
A: Overseas Student Health Cover is mandatory insurance covering medical care during studies in Australia.

173.   **Q:** Does BITS host an orientation for Academy students?
A: Yes—new students attend multi-day induction sessions covering academics, hostel life and clubs.

174.   **Q:** Does RMIT run a separate orientation in Melbourne?
A: Yes—**Welcome Week** introduces campus facilities, Australian culture and academic expectations.

175.   **Q:** Are families invited to orientation events?
A: BITS often holds a parents' briefing; RMIT offers online information sessions for families.

176.   **Q:** What student clubs exist at BITS?
A: Over 50 clubs covering robotics, coding, debate, music, dance and social outreach.

177.   **Q:** Are similar societies available at RMIT?
A: Yes, including technical associations, cultural clubs and international student networks.

178.   **Q:** In what language are lectures delivered?
A: English at both universities.

179.   **Q:** Can non-Indian citizens apply to the Academy?
A: Yes—eligibility hinges on BITSAT and entry requirements, not nationality.

180.   **Q:** Will BITS course grades appear on the RMIT transcript?
A: No—BITS subjects remain on a BITS transcript; only RMIT-authorised courses show on the RMIT record.

181.   **Q:** Does the document mention extra merit scholarships?
A: It cites only the automatic 20% tuition discount; other awards require separate application.

182.   **Q:** Are Academy graduates eligible for further studies abroad?
A: Yes—holding both an Indian B.E. and an Australian honours degree positions graduates strongly for global master's or PhD programmes.

183.   **Q:** What learning platform does RMIT use for online subjects?
A: Canvas, supplemented by labs, simulations and industry software licences.

184. **Q:** Could additional lab fees apply?
A: Yes; standard lab and materials charges are billed as per each semester's fee schedule.

185. **Q:** Does BITS collect a security deposit?
A: Usually BITS charges a refundable caution and hostel deposit; details arrive with the admission letter.

186. **Q:** How can applicants ask follow-up questions?
A: Via contact links on **bitsrmit.in** or through the RMIT admissions portal once activated.

187. **Q:** How is application status tracked?
A: Through the BITS admission dashboard for Part 1 and the RMIT portal for Part 2.

188. **Q:** What if a student's legal name changes?
A: Both registrars must be updated with supporting legal documents to ensure certificates carry the correct name.

189. **Q:** How large are typical dual-degree cohorts?
A: The PDF is silent, but such cohorts are generally smaller than standalone batches to ensure quality.

190. **Q:** What agreement must students sign before paying RMIT tuition?
A: An **RMIT Student Acceptance Agreement** outlining fees, refund rules and academic obligations.

191. **Q:** Which single deadline is the most critical for initial application?
A: **30 June 2025**, the final date to submit the BITS application including Academy preferences.

192. **Q:** What does the phrase "immersed in Melbourne" signify?
A: Students live, study and socialise in Australia, gaining first-hand experience of a global city and diverse campus culture.

193. **Q:** Does the notice discuss placement statistics?
A: No employment statistics are provided; students rely on each university's separate placement services.

194. **Q:** Are internships built into RMIT's honours curriculum?
A: Many engineering degrees feature **Work-Integrated Learning** or industry projects; specifics vary by stream.

195. **Q:** What CGPA system does BITS use?
A: A 10-point scale where coursework is weighted into a cumulative grade point average.

196. **Q:** Does RMIT use the same grading scale?
A: No—RMIT uses percentage grades mapped to HD, DI, CR, PA and NN bands.

197. **Q:** Will students get separate transcripts?
A: Yes, each university issues its own official transcript.

198. **Q:** Can failed BITS courses delay transfer to RMIT?
A: Yes—core failures usually must be cleared before progression.

199. **Q:** What online resources are available from RMIT while in India?
   A: Digital libraries, career portals, Canvas course shells and academic skill workshops.

200. **Q:** How are BITS semester fees paid?
   A: Through BITS' standard fee portal in Indian rupees.

201. **Q:** Is hostel accommodation compulsory at BITS?
   A: BITS is a fully residential institute; most students reside on campus unless granted special permission.

202. **Q:** What documentation proves English was the medium of instruction?
   A: A formal letter on school letterhead, signed by the principal or authorised official.

203. **Q:** Which RMIT office verifies English test scores?
   A: The **International Admissions team** cross-checks results directly through official test-provider portals.

204. **Q:** Can students work part-time in Australia?
   A: Yes—current regulations permit **48 hours per fortnight** during teaching periods.

205. **Q:** Does the scholarship reduce OSHC fees?
   A: No—OSHC premiums are separate from tuition discounts.

206. **Q:** What is the normal sequence of tuition payments?
   A: Pay BITS semester fees first; later, pay RMIT tuition for Melbourne semesters minus the 20% discount.

207. **Q:** How often are offers released?
   A: BITS releases multiple admission rounds, with Academy offers included, until seats are filled.

208. **Q:** What is "additional moderation" of BITSAT scores?
   A: Statistical scaling to ensure fairness across test dates and difficulty levels.

209. **Q:** Are provisional offers possible?
   A: BITS may issue a provisional admission letter pending final exam results or English scores.

210. **Q:** What is the main focus during BITS semesters?
   A: **BITS core subjects** plus exposure to selected RMIT curricular materials.

211. **Q:** Can a student change streams mid-programme?
   A: The PDF does not address stream changes; policy would depend on seat availability and academic standing.

212. **Q:** Which software tools do engineering students typically use at BITS?
   A: MATLAB, AutoCAD, SolidWorks and coding IDEs, depending on the branch.

213. **Q:** Does RMIT provide industry-standard licences?
   A: Yes—students get access to tools like ANSYS, LabVIEW and project-management suites relevant to their majors.

214. **Q:** Who handles academic advising at BITS?
A: Faculty mentors and the Academic Counselling Cell guide course selection and performance.

215. **Q:** What Melbourne public transport concessions exist for students?
A: International students can apply for myki discounted passes under certain state schemes; RMIT provides guidance.

216. **Q:** Is there an age limit for applicants?
A: The notice does not specify an age cap; eligibility is tied to exam scores and academic credentials.

217. **Q:** Can existing BITS students transfer into the Academy?
A: The PDF focuses on incoming first-year applicants; transfer rules are not discussed.

218. **Q:** What time-zone differences might affect online RMIT sessions in Year 1?
A: Melbourne is typically **4.5 to 5.5 hours** ahead of Indian Standard Time, affecting live webinar scheduling.

219. **Q:** Does the Academy use a common learning outcome framework?
A: Yes—outcomes are jointly mapped so each completed course meets both institutions' standards.

220. **Q:** What cultural support does RMIT offer new arrivals?
A: Airport welcome desks, peer mentors, city tours and cross-cultural workshops.

221. **Q:** Are group projects part of the honours year?
A: Yes—capstone design or research projects often require team collaboration and industry liaison.

222. **Q:** How are hostels allocated on BITS campuses?
A: Allotment is done by the Students' Welfare Division on a first-year priority basis.

223. **Q:** Will hostel rooms be air-conditioned?
A: Some blocks are AC-equipped; allocations depend on campus infrastructure.

224. **Q:** Are meal plans mandatory?
A: Most BITS hostels include a mess plan, which students pay per semester.

225. **Q:** What student governance body exists at BITS?
A: The **Students' Union** coordinates cultural, technical and sports events.

226. **Q:** Does RMIT have a student representative council?
A: Yes—the **RMIT Student Union (RUSU)** advocates for student interests and hosts events.

227. **Q:** How does RMIT monitor academic progress of Academy students?
A: Through online grade reporting, advisor check-ins and compliance reviews each semester.

228. **Q:** Can Academy students apply for RMIT academic prizes?
A: Yes—once enrolled, they are eligible for the same awards as other RMIT engineering students.

229. **Q:** What is the normal semester start date at BITS?
A: Early August for Odd Semester and early January for Even Semester; exact dates vary yearly.

230. **Q:** When do RMIT semesters usually begin?
A: Late February for Semester 1 and mid-July for Semester 2.

231. **Q:** Will students have to align calendars during the transfer year?
A: Yes—there may be a short break or bridging courses to sync the two academic calendars.

232. **Q:** Does BITS issue a combined degree certificate with RMIT?
A: No—each university confers its own parchment.

233. **Q:** Are transcripts or certificates shared between institutions?
A: Each maintains its own student records but coordinates credit recognition.

234. **Q:** What documentation accompanies final graduation?
A: Two certificates, two transcripts and likely a joint programme completion letter.

235. **Q:** Which office at BITS coordinates the Academy?
A: The **Dean Academic-Undergraduate Studies** together with the International Programmes Cell.

236. **Q:** Which RMIT office manages admissions for the Academy?
A: The **Global Admissions and Future Students team**.

237. **Q:** What is the purpose of the visa questionnaire?
A: To collect preliminary data on passport details, funding plans and previous travel history.

238. **Q:** How soon after completing Part 2 do applicants receive an RMIT conditional offer?
A: Usually within three weeks, subject to document verification.

239. **Q:** Does the PDF outline refund policies?
A: No; refund rules are provided later in the RMIT acceptance agreement.

240. **Q:** What is the policy on plagiarism at RMIT?
A: RMIT enforces a strict academic integrity code that applies equally to Academy students.

241. **Q:** What software checks written assignments for plagiarism?
A: Tools like **Turnitin** are integrated into Canvas for originality checks.

242. **Q:** Are there sports facilities at BITS campuses?
A: Yes: cricket grounds, football fields, gyms, swimming pools and indoor stadiums.

243. **Q:** What sports amenities does RMIT offer?
A: City-campus gym, Bundoora sports precinct, tennis courts and inter-varsity leagues.

244. **Q:** Does the Academy include any humanities electives?
A: BITS curriculum contains general elective slots that can be filled with humanities or management courses.

245.   **Q:** Will those electives transfer to RMIT credit?
A: Only if mapped to RMIT's elective catalogue; otherwise, additional electives may be required.

246.   **Q:** What type of identification does the English-test centre require?
A: A valid passport and sometimes a secondary photo ID for verification.

247.   **Q:** Who moderates the BITSAT score?
A: BITS Examination Division applies the moderation algorithm.

248.   **Q:** Are there fee instalment plans for RMIT tuition?
A: RMIT lets students pay per semester; further breakdown plans can be requested.

249.   **Q:** Will RMIT provide a Confirmation of Enrolment (CoE)?
A: Yes—after tuition deposit, a CoE is issued for visa application.

250.   **Q:** What is the first step once the RMIT portal link arrives?
A: Activate the account, set a password and begin document upload.

251.   **Q:** Can students appeal if their application is rejected?
A: Each university has an appeals process; the PDF does not detail it but links are provided post-decision.

252.   **Q:** Is on-campus part-time work available at BITS?
A: Limited positions such as teaching assistants or lab helpers may be advertised.

253.   **Q:** Does RMIT offer casual jobs on campus?
A: Yes—library assistants, peer tutors and event staff roles are common.

254.   **Q:** What is a capstone project?
A: A final-year design or research assignment that integrates technical skills and often partners with industry.

255.   **Q:** Which semester at RMIT usually hosts the capstone?
A: The final Melbourne semester, aligning with honours requirements.

256.   **Q:** Does the scholarship affect eligibility for other RMIT awards?
A: The 20% discount is automatic; separate scholarships may be combined if rules allow, subject to total funding caps.

257.   **Q:** What is the medium of lab instruction at BITS?
A: All lab manuals and demonstrations are conducted in English.

258.   **Q:** Can Academy students attend RMIT summer school?
A: Yes, if it fits visa dates and academic progression.

259.   **Q:** What IT support does BITS provide?
A: Central Computer Centre, campus Wi-Fi and 24/7 helpdesk.

260.   **Q:** What IT services does RMIT offer in Melbourne?
A: Student laptop loans, software downloads, 24-hour study zones and tech support.

261.   **Q:** Are emergency contacts provided in orientation?
        A: Yes—health, security and counselling numbers are shared at both institutions.

262.   **Q:** What mental-health resources exist at BITS?
        A: Student Counselling Division offers counselling sessions and wellness workshops.

263.   **Q:** Does RMIT give mental-health support?
        A: RMIT Counselling and Psychological Services provides free confidential appointments.

264.   **Q:** What is a moderated rank list?
        A: A sorted roster of applicants after BITS applies score moderation and tie-break rules.

265.   **Q:** What tie-breakers does BITS use if scores are equal?
        A: Higher marks in Mathematics/Physics and then Chemistry, followed by older age; specifics appear in the BITS admission bulletin.

266.   **Q:** How does the Academy promote diversity?
        A: By combining students from various Indian states and later integrating them with an international cohort in Melbourne.

267.   **Q:** Will Academy students have separate classrooms at BITS?
        A: No— they study alongside mainstream B.E. students for common subjects.

268.   **Q:** Does the PDF mention any ranking of RMIT globally?
        A: It does not list rankings but calls RMIT a "leading" Australian university.

269.   **Q:** What industry sectors benefit from Civil and Infrastructure degrees?
        A: Urban development, transport planning, structural engineering and environmental sustainability.

270.   **Q:** Which sectors recruit Mechanical honours graduates?
        A: Automotive, aerospace, energy, manufacturing and robotics industries.

271.   **Q:** What career paths open with Electrical Engineering honours?
        A: Power systems, electronics design, telecommunications, renewable energy and automation.

272.   **Q:** Where can Software Engineering honours graduates work?
        A: Tech firms, finance, AI start-ups, cybersecurity, game development and research labs.

273.   **Q:** Does the PDF list placement partners?
        A: No, but both universities have longstanding industry linkages.

274.   **Q:** How is hostel fee payment scheduled?
        A: Typically per semester alongside tuition, via online payment gateway.

275.   **Q:** What is the "international education pathway" referred to?
        A: An affordable structured route to study abroad without enrolling in two separate degrees.

276.   **Q:** Why is the programme termed an "affordable pathway"?
        A: Because half the study is at Indian fee levels and the Australian component enjoys a 20% tuition discount.

277.   **Q:** Does the Australian phase include field trips?
A: Many honours subjects integrate site visits, though specifics depend on the major.

278.   **Q:** What documentation is required for student-visa proof of funds?
A: Bank statements, loan sanction letters or scholarship letters showing enough to cover tuition and living costs.

279.   **Q:** Can parents accompany students initially?
A: Yes, on visitor visas, but they may not stay long-term.

280.   **Q:** What is the typical flight time from Delhi to Melbourne?
A: Approximately **12–14 hours** with at least one stopover.

281.   **Q:** Are there Alumni networks for Academy graduates?
A: Each university maintains alumni chapters; dual graduates can join both.

282.   **Q:** Which office helps with disability services?
A: BITS' Equal Opportunity Cell and RMIT's Equitable Learning Services.

283.   **Q:** Does the PDF require colour scans for uploads?
A: It simply asks for legible documents; colour is recommended for seals and signatures.

284.   **Q:** What is the width of the English-test reimbursement?
A: Exactly half of the paid fee, capped at **₹8 500**.

285.   **Q:** Are test-re-takes reimbursed?
A: Only one successful test fee is considered; re-takes are usually not covered.

286.   **Q:** Who verifies that Year 12 was taught entirely in English?
A: RMIT admissions staff check the official letter supplied by the school.

287.   **Q:** Does the PDF detail hostel curfew hours?
A: No; house rules are provided by each campus administration on arrival.

288.   **Q:** Are Academy students eligible for BITS on-campus scholarships?
A: Yes, they can apply for merit or need-based BITS awards in Years 1–2.

289.   **Q:** Can RMIT honours students apply for Research Assistant roles?
A: Yes, qualified undergraduates often assist in faculty research projects.

290.   **Q:** What vaccination requirements exist for Australia?
A: Australia currently mandates standard childhood immunisations; specific COVID-19 policies depend on government guidelines at the time of travel.

291.   **Q:** Does the notice mention accommodation in Melbourne?
A: It notes "vibrant campuses," implying on- or near-campus housing options but gives no details.

292.   **Q:** Are there on-campus residences at RMIT City campus?
A: RMIT offers a purpose-built student accommodation building near the City campus.

293. **Q:** What cultural festivals are popular on BITS campuses?
A: **OASIS** (cultural fest) and **APOGEE** (technical fest).

294. **Q:** What large-scale event does RMIT host annually?
A: **RMIT Welcome Week Festival** featuring music, food trucks and club stalls.

295. **Q:** Does the Academy encourage entrepreneurship?
A: Yes—both universities have incubators and startup accelerators accessible to dual-degree students.

296. **Q:** Which office issues hostel ID cards at BITS?
A: The **Students' Welfare Division**.

297. **Q:** What is the process for lost ID replacement?
A: Report to campus security, pay a nominal fee and receive a new card within a few days.

298. **Q:** Can Academy students participate in BITS sports quota selections?
A: Yes—eligibility extends to all enrolled students.

299. **Q:** Are there technical paper contests at BITS?
A: Yes—events like **Paper Presentation** during APOGEE allow students to showcase research.

300. **Q:** Does RMIT host hackathons?
A: Yes—multiple hackathons run throughout the year with industry sponsorship.

301. **Q:** Summarise the two must-meet submission dates for supporting documents.
A: **6 July 2025** for the visa questionnaire and transcript, and **30 July 2025** as the absolute final date for English-proficiency evidence.

302. Below is an ordered set of 300 question-and-answer pairs that capture every date, deadline, event and practical detail contained in the "BITS-CSP 2 + 2 International Collaborative Programme – Academic Calendar & Admissions Timeline" PDF. Answers are written in plain, explanatory language so you can understand the context without referring back to the document.

303. Q: What does "BITS-CSP 2 + 2" stand for?
A: It is BITS Pilani's "Collaborative Study Programme" in which students complete 2 years at BITS and 2 years at an overseas partner, graduating with dual credentials.

304. Q: Which admission cycle do the listed dates apply to?
A: The 2025–2026 first-degree intake under the 2 + 2 BITS-CSP route.

305. Q: On what day does the application portal for BITS-CSP open?
A: Monday, 20 January 2025.

306. Q: When is the last date to submit a BITSAT-2025 form for Session I or both sessions?
A: Thursday, 24 April 2025.

307. Q: Can applicants edit their BITSAT form after submission?
A: Yes—an online edit window runs from 29 April to 1 May 2025.

308.   Q: When are test cities allotted for Session I?
A: On 13 May 2025.

309.   Q: What is the slot-reservation period for Session I?
A: 13 May–16 May 2025.

310.   Q: From which date can Session I hall-tickets be downloaded?
A: 23 May 2025 and onwards, up to the exam day.

311.   Q: State the exact Session I BITSAT exam window.
A: 26 May – 30 May 2025.

312.   Q: When does the Session II application window open?
A: 26 May 2025.

313.   Q: By what date must Session II applications be filed?
A: 10 June 2025.

314.   Q: Is there an edit window for Session II forms?
A: Yes—13 – 14 June 2025.

315.   Q: When is test-city allotment announced for Session II?
A: 16 June 2025.

316.   Q: What are the slot-reservation dates for Session II?
A: 16 – 17 June 2025.

317.   Q: Hall-tickets for Session II become available starting?
A: 20 June 2025.

318.   Q: Give the exact Session II BITSAT exam period.
A: 22 June – 26 June 2025.

319.   Q: During which span may candidates enter class-12 marks and branch preferences?
A: 1 – 30 June 2025.

320.   Q: When are final, moderated BITSAT-2025 scores for Session II displayed?
A: 2 July 2025.

321.   Q: Is there a chance to edit preference forms after scores are published?
A: Yes—3 – 5 July 2025.

322.   Q: On what date is Iteration I admit-list plus wait-list announced?
A: 11 July 2025.

323.   Q: What is the final date to accept Iteration I offers and pay the advance fee?
A: 15 July 2025.

324.   Q: When is Iteration II admission allocation published?
A: 17 July 2025.

325.   Q: State the deadline to pay balance fees after an Iteration II offer.
      A: 21 July 2025.

326.   Q: By which day can Iteration II admits withdraw and get a refund?
      A: 22 July 2025.

327.   Q: When is Iteration III allotment released?
      A: 23 July 2025.

328.   Q: What is the balance-fee deadline for Iteration III selections?
      A: 26 July 2025.

329.   Q: Last day to cancel admission after Iteration III?
      A: 27 July 2025.

330.   Q: On which date must Iterations I–III admits physically report to campus for verification?
      A: 29 July 2025 at 10 AM IST.

331.   Q: Which campuses host reporting for 2 + 2 CSP admits?
      A: BITS Pilani Campus (Rajasthan) and BITS K K Birla Goa Campus.

332.   Q: What event occurs on 30 July 2025 morning at Pilani?
      A: A CSP-specific orientation in a tele-presence classroom from 9:30 AM to 1 PM.

333.   Q: What parent-interaction happens later that afternoon?
      A: Parents meet the Vice-Chancellor and campus Directors for a "Life at BITS" session.

395. Q: Who signs off the entire academic calendar?
A: Prof. Ajit Pratap Singh, Dean, Division of Admissions & Student Financial Aid.

396. Q: What does the presence of multiple "Iteration" rounds indicate?
A: Admissions are rolled out in waves; if seats remain, new lists are released until all places fill.

397. Q: Why are compensatory classes scheduled for late reporters?
A: To ensure students catching up after Iteration 4 or 5 receive the missed week(s) of instruction.

398. Q: What is meant by "substitution of courses"?
A: The add/drop period when students can swap courses without academic penalty.

399. Q: Define "pre-comprehensive marks."
A: Aggregate standing before final exams, showing continuous-assessment performance.

400. Q: What does "class-work suspended" mean during mid-sems?
A: Regular lectures pause so students can focus solely on mid-semester examinations.

401. Q: Why are holiday lists embedded in the academic calendar?
A: So students and faculty can plan study schedules, travel and make-up classes around campus closures.

402. Q: How long is the first orientation at Pilani?
A: 3.5 hours (9:30 AM – 1:00 PM) in a tele-presence format.

403. Q: What is a tele-presence classroom?
A: A high-tech room enabling two-way video and content sharing between campuses, giving a "virtual face-to-face" experience.

404. Q: Why does orientation repeat at Goa on a later date?
A: To provide the same onboarding for students whose home campus is Goa.

405. Q: What is the rationale behind recess from 18 Dec 2025 to 4 Jan 2026?
A: To give students a break after finals and allow faculty to grade and plan the next term.

406. Q: Are all holidays common to every BITS campus?
A: Many are pan-Indian, but a few (e.g., Ugadi, Founder's Day, Goa Liberation Day) are campus-specific.

407. Q: What does "Registration in courses" involve?
A: Selecting classes, verifying credit loads and finalising timetables for the semester.

408. Q: Why are multiple orientation programmes (I, II, III) scheduled?
A: To stagger onboarding as later-iteration admits join the institute.

409.   Q: What happens during "interaction of parents with the Vice-Chancellor"?
A: Leadership explains academic philosophy, support systems and campus life, easing parent concerns.

410.   Q: What academic advantage does early reporting (29 Jul 2025) give?
A: Students attend all orientations, register on time and start classes without backlog.

411.   Q: Define "Iteration admit list."
A: A list of candidates officially offered seats in that particular admission round.

412.   Q: What is the function of a wait-list?
A: It holds qualified applicants who may receive an offer if earlier candidates decline.

413.   Q: Why is 14 Aug 2025 the payment deadline for Iteration V?
A: To settle fees before Independence Day closure and course-substitution deadline.

414.   Q: Explain "balance fees."
A: Remaining tuition and hostel charges after an initial advance is paid.

415.   Q: What does "withdrawal request" entail?
A: A formal online form seeking seat cancellation and applicable refund.

416.   Q: Why is 18 Aug 2025 both a last substitution day and reporting day?
A: So newly reporting Iteration V students can still finalise their course choices.

417.   Q: What does "compensatory classes" mean?
A: Extra sessions arranged for late joiners to cover missed lectures.

418.   Q: How many teaching weeks are effectively missed by Iteration V admits?
A: Approximately two weeks, hence two-week backlog coverage.

419.   Q: Why are major Hindu, Muslim and Christian festivals recognised?
A: To respect India's multi-faith populace and avoid scheduling exams on祭 days.

420.   Q: Purpose of mid-semester grading by 31 Oct 2025?
A: To give students feedback and identify those needing academic support.

421.   Q: What is the lead time between last class (29 Nov) and first final exam (1 Dec)?
A: Two clear days for revision.

422.   Q: Explain "summer term."
A: An optional short semester for backlog clearing, fast-tracking or additional credits.

A: 19 July 2026.

513. **Q:** Summer vacation also ends on?
A: 19 July 2026, aligning with term end.

514. **Q:** Who is the calendar officially signed by?
A: Prof. Ajit Pratap Singh, Dean, Division of Admissions and Student Financial Aid.

515. **Q:** What does an "Iteration" represent in admissions?
A: A fresh round of seat allotments using updated wait-lists.

516. **Q:** Why are compensatory classes scheduled for late reporters?
A: To quickly teach material missed before they arrived.

517. **Q:** Define "substitution of courses."
A: It's the add/drop window students use to change their enrolment without penalty.

518. **Q:** What are "pre-comprehensive marks"?
A: A snapshot of each student's standing just before final exams begin.

519. **Q:** What does "class-work suspended" mean during mid-sems?
A: All regular lectures pause so students can focus on examinations.

520. **Q:** Why embed a full holiday list in the academic calendar?
A: To help students and staff plan studies, travel and make-up classes around closures.

521. **Q:** How long is the tele-presence orientation session?
A: Three and a half hours of interactive briefing.

522. **Q:** What is a tele-presence classroom?
A: A high-tech room that links campuses via live video, giving a face-to-face feel.

523. **Q:** Why is the same orientation repeated at Goa one day later?
A: To give Goa-based students an identical onboarding experience close to home.

524. **Q:** Purpose of the 18-day winter recess?
A: It allows rest for students and grading/preparation time for faculty.

525. **Q:** Are all holidays observed at every campus?
A: Most are national, but a few (Ugadi, Goa Liberation Day) are campus-specific.

526. **Q:** What does "Registration in courses" involve?
A: Finalising the semester's timetable, credit load and lab sections.

527. **Q:** Why are three separate general orientations (I, II, III) scheduled?
A: To accommodate students joining through later admission iterations.

A: Leadership outlines academics, student support and campus culture to reassure families.

529. **Q:** Advantage of reporting on 29 July versus 8 or 18 August?
A: Early reporters miss no classes and complete all orientation components.

530. **Q:** What is meant by "admit list" versus "wait-list"?
A: Admit list offers seats immediately; wait-list holds qualified students for possible future offers.

531. **Q:** Why is the 14 August fee deadline important?
A: It clears finance matters before the mid-August holiday block and course-substitution cut-off.

532. **Q:** Describe "balance fees."
A: The remainder of tuition and hostel charges after the initial advance payment.

533. **Q:** How is an official withdrawal made?
A: Via an online request using provided credentials before the stated deadline.

534. **Q:** Why does Iteration V reporting trigger two-week backlog classes?
A: They arrive after two weeks of lectures and need structured catch-up.

535. **Q:** How do mid-semester grades help students?
A: They reveal academic standing early enough to seek help or improve.

536. **Q:** Why give two days between last class and first final exam?
A: To provide concentrated revision time.

537. **Q:** What is the "summer term"?
A: A short optional session for clearing backlogs or earning extra credits.

538. **Q:** Why do summer term and vacation have the same end date?
A: So all students return simultaneously for the next academic year.

539. **Q:** What do asterisks next to Id-ul-Fitr and Id-ul-Zuha signify?
A: Exact dates may shift slightly based on lunar observations.

540. **Q:** Which team runs the CSP tele-presence orientations?
A: The dedicated **BITS-CSP Team**.

541. **Q:** Who verifies documents on reporting day?
A: Campus admissions staff cross-check originals against uploaded copies.

542. **Q:** Why are festival holidays emphasised in August–October?
A: Those months contain many major Indian celebrations that necessitate academic breaks.

543. **Q:** Summarise the single best way to stay on track with this calendar.
A: **Note every deadline, report on the earliest possible date, and use add/drop and orientation**

sessions fully—doing so ensures smooth enrolment, complete coursework and no missed opportunities.

Yes—Merit and Merit-cum-Need scholarships on the same criteria as BITSAT entrants.

561.   **Do BITS-CSP students write BITSAT?**
Entry to this specific cohort is via the CSP pathway, so BITSAT is not mandatory.

562. **Is the summer term part of every academic calendar?**
No—summer term occurs only when stated and when a student needs to register.

563. **What percentage of the semester fee is charged for a summer term?**
35% of that academic year's semester tuition fee.

564. **Is the summer term compulsory for all students?**
Only if outstanding academic requirements necessitate registration.

565. **Which year's summer term attracts the BITS-quoted fee?**
Either AY 2025-26 or AY 2026-27, never both.

566. **When are all fees payable?**
In advance, at the start of each semester/term.

567. **Which fee components are refundable on exit?**
Caution deposit and unspent mess advance, after dues are cleared.

568. **Is the hostel fee mandatory for day scholars?**
No—hostel fees apply only to on-campus residents.

569. **Are mess advances adjustable?**
Yes—reconciled at term end.

570. **Can the fee structure change yearly?**
Yes—semester and summer fees are revised upward annually.

571. **Is health insurance in France covered in the quoted CSP fees?**
No—insurance, residence permit, and living costs are separate.

1695.   Are selection tasks per program or unified? — Only one selection task is required even if multiple programs were applied.

1696.   What happens if submission is attempted without mandatory items? — The portal flags missing items; complete before submission.

1697.   Should applicants take screenshots of the reference number? — Good practice for records.

1698.   Is an email confirmation sent? — The portal states a confirmation email will be sent.

1699.   Can the same selection task cover multiple program codes? — Yes, per guide instruction.

1700.   What if no selection task is required? — Actions column would not show a selection task; application goes "Under assessment."

1701.   When does the "Under assessment" status appear? — After selection task submission, the status changes from "Awaiting selection task" to "Under assessment."

1702.   Selection Task: Access and Purpose (261–275)

1703.   Where is the selection task accessed? — From the dashboard via "SUBMIT SELECTION TASK."

1704.   Why is the selection task mandatory? — Applications cannot be assessed until the selection task is submitted.

1705.   What is the deadline to submit the selection task? — No later than the RMIT Applications Portal closing date (example shows 10 July for a prior cycle).

1706.   What is reviewed through the selection task? — Information for Genuine Student Requirement (GSR) assessment under SSVF guidelines.

1707.   What happens if GSR requirements are not met? — The application is not considered further; ineligible notification is issued.

1708.   Can selection tasks be saved and completed later? — Yes, "save and complete later" is supported.

1709.   If multiple programs were applied, how many selection tasks must be submitted? — Only one selection task is needed.

1710.   What does the "Actions" column show before submitting? — "Awaiting selection task" and a button to submit it.

1711.   What does the "Actions" column show after submitting? — No action required; status becomes "Under assessment."

1712.   Are selection tasks customized per state/district? — Certain prompts (e.g., SOP requirement) may depend on state/district responses.

1713.   Selection Task: Fields and Uploads (276–300)

1714.   What initial question confirms nationality? — "Is your country of citizenship India?" (Yes/No).

1715.   What else must be selected early? — The applicant's state of residence.

1716.   What other personal-history questions are included? — Relatives in Australia, visa refusals (Australia/other), visa cancellations (Australia/other).

1717.   What details are required if visa refusal/cancellation is Yes? — Select applicable reasons (e.g., financial incapacity, GSR failure, document issues).

1718.   What documents are required for visa refusal/cancellation? — Upload a copy of the Visa Refusal/Cancellation Notice.

1719.   What if there are no visa refusals/cancellations? — Upload a blank document to meet mandatory upload requirement.

1720.   When is an RMIT Statement of Purpose (GSR SOP) required? — If prompted by state/district or if visa refusal/cancellation answers are Yes.

1721.   What must be uploaded for the SOP requirement? — The completed RMIT GSR SOP form provided in the task.

1722.   What if SOP is not applicable? — Upload a blank document to fulfil the mandatory field.

1723.   Are both upload fields compulsory? — Yes, files must be uploaded to both the Visa Notice and GSR SOP fields to submit the task.

1724.   What other compliance question is asked? — Whether ever been in Australia or another country without a valid visa (unlawful).

1725.   What to do if "Invalid visa (unlawful)" is Yes? — Provide a written reason (up to 250 words) via "ADD A WRITTEN RESPONSE."

1726.   Are prior exclusions from Australian institutions asked again? — Yes, whether ever excluded; select reason if Yes, with option for written response.

1727.   What dual citizenship question appears? — Whether the applicant holds dual citizenship/nationality.

1728.	What if dual citizenship is held from specified countries? — Tick the relevant country from the list provided.

1729.	Is there a Nationality follow-up for dual citizenship? — Yes, confirm dual nationality specifics.

1730	What should be done if an upload field remains blank? — The system prevents submission; upload the required/blank file.

1731.	What to do if the submission screen doesn't appear? — Check for missing/blank fields highlighted in red and complete them.

1732.	How to finalize the selection task? — Tick the "I am ready to submit this selection task" checkbox and click "SUBMIT SELECTION TASK."

1734.	After successful submission, what happens to "Actions"? — No further actions required; "Under assessment" is displayed.

1735.	Can supporting documents still be added to the application after this? — Yes, via "Add supporting documents" in the dashboard.

1736.	Does submitting the selection task lock the application entirely? — You cannot edit the selection task; contact details and supporting docs can still be updated.

1737.	What if conflicting answers were provided? — Accuracy is essential; inconsistencies can harm GSR assessment and eligibility.

1738.	What is the single most critical instruction for timely assessment? — Submit the selection task promptly (with all mandatory uploads), then monitor the dashboard until status is "Under assessment."

1739.	This 300-item Q&A fully traces the application lifecycle described in the PDF: registration, dashboard use, personal details, program selection, education, compliance questions, optional sections, documentation, review/submit, selection task logic and uploads, GSR requirements, and post-submission tracking.

1740.	Below is a numbered set of 300 descriptive questions with concise answers that comprehensively cover all key aspects across the provided PDFs for BITS–RPI and BITS–RMIT collaborative programs: academic calendars, fee details, admissions, credit/equivalency mappings (RPI Mechanical and EEE), and the RMIT application process. Content includes timelines, fees, policies, course mappings, program structure, documentation, selection tasks, scholarships, and administrative rules.

1741.	Program Structure, Pathway, and Overview (1–25)

1742.	What is the core model of the BITS international collaborative programs? — A 2+2 dual-degree pathway with 2 years at BITS and 2 years at the partner university.

1743. Which partner universities are featured in the provided PDFs? — Rensselaer Polytechnic Institute (RPI, USA) and RMIT University (Australia).

1744. What degrees are mapped in the BITS–RPI Mechanical pathway? — B.E. Mechanical (BITS) to B.S. Mechanical Engineering (RPI).

1745. What degrees are mapped in the BITS–RPI EEE pathway? — B.E. Electrical & Electronics (BITS) to B.S. Electrical Engineering (RPI).

1746. When do students transfer from BITS to RPI or RMIT in the 2+2 tracks? — After completing Years 1–2 at BITS (plus a BITS summer term where applicable), they move to Years 3–4 at the partner.

1747. Are summer terms always mandatory at BITS? — Summer term occurs only if required by the academic progression plan; fee applies only if registered.

1748. Are course sequences for Years 3–4 at RPI final or tentative? — Tentative; RPI advisors finalize exact schedules upon entry.

1749. Who converts and maps credits between BITS and RPI? — Equivalency is set jointly; RPI credits convert to BITS units and vice versa based on course equivalence.

1750. Do the collaborative degrees maintain the same specialization level? — Yes, the same discipline and qualification level are maintained across institutions.

1751. Are new courses ever introduced to meet requirements? — Yes, new courses may be introduced if required to fulfill graduation requirements.

1752. Which campuses host BITS–RPI initial years? — BITS Pilani campuses; fee tables list Pilani, Goa, and Hyderabad uniformly for common fees.

1753. Is BITS–RMIT offered across multiple BITS campuses as well? — Yes, mapped to Pilani, Goa, and Hyderabad depending on program.

1754. What is the curricular intent of these collaborations? — A coherent, globally oriented curriculum integrating strengths from both institutions.

1755. Do students complete capstone design at RPI for BITS–RPI tracks? — Yes, capstones at RPI are mapped to BITS capstone requirements.

1756. Do BITS–RPI students do Practice School II/Thesis? — Replaced by two capstone projects within the BITS–RPI design.

1757. Are HASS/Humanities requirements included for BITS–RPI? — Yes, HASS core electives at RPI are mapped to BITS humanities/open elective needs.

1758. Can RPI course lists (technical/HASS) change? — Yes, course lists and sequences can change; advisors guide exact choices.

1759. Do students receive a dual credential? — Yes, each institution awards its own degree upon meeting its respective graduation requirements.

1760.   Are professional development courses part of RPI's sequence? — Yes, ENGR 4010 and STSO 4100 appear in the RPI plan.

1761.   Are some RPI professional dev courses counted only toward RPI graduation? — Yes, certain PD courses count only for RPI requirements.

1762.   Are some BITS foundation courses counted only for BITS graduation? — Yes, e.g., Navigating Campus Life, Physical Fitness & Creative Arts, Innovation & Design Thinking count only at BITS.

1763.   Are there open/discipline electives counted on both sides? — Many RPI electives map to BITS discipline/open electives to satisfy both sides.

1764.   Are mappings precise to specific partner courses? — Yes, course-by-course equivalencies are provided with symbol legends.

1765.   Who finalizes the study plan once at RPI? — RPI academic advisors collaborate with students to finalize schedules.

1766.   Are all mappings fixed across cohorts? — Mappings may be updated; always follow the latest official mapping documents.

1940.   Which items are refundable later? — Only caution deposit and mess advance, after dues adjustment.

1941.   Are the RMIT Years 3–4 fees listed in this document? — It refers to bitsrmit.in for RMIT-side fees and RMIT's program guide for costs.

1942.   Are summer fees charged in both summers? — Only one of AY 2025–26 or AY 2026–27, depending on program completion needs.

1943.   Does the note mention levy/tax pass-through? — Yes, any new government levy/tax is passed to students irrespective of entry year.

1944.   Are these fees uniform across Pilani, Goa, Hyderabad? — Yes, for the BITS-side schedule.

1945.   Are fee due dates in this document? — No, refer to admissions/finance communications.

1946.   Are refund policies linked? — A BITS–RMIT refund policy link is referenced.

1947.   Is RMIT tuition escalation capped? — RMIT may adjust up to 7.5% per calendar year (subject to rounding), per earlier doc.

1948.   BITS–RMIT RMIT-Side Tuition and Scholarship (201–215)

1949.   What RMIT base annual tuition is quoted for 2025? — AUD 45,120 per year (for the example cohort).

1950.   Can RMIT tuition be adjusted annually? — Yes, up to 7.5% per calendar year, subject to rounding.

1951.   Why might later starters pay a higher total? — Because increases apply at the beginning of each calendar year.

1952.   Are OSHC and living costs included in RMIT tuition? — No; separate per RMIT program guide.

1953.   Is there a standing RMIT scholarship for Academy students? — Yes, Future Leaders Scholarship (20% tuition reduction in Melbourne).

1954.   Does the scholarship apply across Years 3–4? — Yes, per duration outlined in the RMIT offer letter.

1955.   Does the 20% apply to tuition or other costs? — Tuition fee reduction only.

1956.   Can the scholarship be combined with others? — Subject to RMIT policies and offer conditions.

1957.   Do BITS scholarships apply in Years 3–4? — No; RMIT scholarships apply at RMIT.

1958.   Will RMIT publish updated tuition yearly? — Yes, RMIT updates fees each calendar year.

1959.   Do exchange rates affect INR cost planning? — Yes, for planning conversions only.

1960.   Are RMIT payment plans mentioned? — Not in these PDFs; refer to RMIT enrolment info.

1961.   Is the scholarship contingent on performance? — Offer letters may stipulate conditions; maintain requirements.

1962.   Are acceptance deadlines coupled with fee timelines? — Yes, as per the academic calendar/admissions schedules.

1963.   Does RMIT list selection tasks for Academy applicants? — Yes, the application guide lists a selection task for GSR assessment.

1964.   RMIT Application Workflow: Registration to Submission (216–240)

1965.   Where to register for RMIT application? — RMIT Apply portal link in the guide.

1966.   Which button to click first? — "Register."

1967.   What must be accepted during registration? — Privacy statement and applicant declaration.

1968.   What key responsibility is emphasized? — Supplying correct, complete information; consequences for incorrect/incomplete info.

1969.   After registration, where to begin application? — "START AN APPLICATION" on My dashboard.

1970.   What is the first application step? — Personal details.

1971.	Which citizenship guidance is shown in the guide? — Select "None of the above but I wish to study via RMIT Online" then Continue.

1972.	What contact info is needed? — Email and phone number.

1973.	Which address country is shown in the example? — India.

1974.	How to proceed after personal details? — "SAVE AND CONTINUE."

1975.	How to search and add programs? — Use keywords or codes (e.g., BH070BIT, BH075BIT, BH077BIT, BH120BIT), click Select, then "ADD THIS PROGRAM."

1976.	Maximum programs one can add? — Up to 5.

1977.	Do "My programs" indicate preference order? — No, it is a list of applications, not preferences.

1978.	What appears in program review? — Level, Program, Plan, Attendance mode, Campus, Fee type, Fee group, Study load, Intake.

1979.	Typical fee group for Academy entries? — BITS–RMIT Higher Education Academy.

1980.	Next step after programs? — Education: add Year 12 (e.g., "India Senior School Certificate").

1981.	Which level for Year 12? — "VCE, Year 12 or equivalent."

1982.	What education fields to provide? — Qualification, institution, country, dates, completion status, study load.

1983.	Are statistical questions asked? — Yes, for government reporting (e.g., IB diploma, IB aggregate range 24–45).

1984.	Is an exclusion question present? — Yes; if Yes, upload an explanatory statement.

1985.	Are employment and associations used for Academy selection? — No; tick "no relevant details" if applicable.

1986.	Does RMIT Access Equity scheme apply? — The guide instructs selecting "No" for Academy programs.

1987.	Which supporting documents are required? — Secondary school certificate, transcript, English test results (if applicable).

1988.	Can applicants submit without all documents? — Yes; proceed and upload later via dashboard.

1989.	How to submit the application? — Review, tick the submission confirmation, and click "SUBMIT APPLICATION" to get a reference number.

1990.	RMIT Selection Task & GSR (241–260)

1991.   Where is the selection task visible? — In the dashboard under Applications submitted; action "SUBMIT SELECTION TASK."

1992.   How soon does it appear after application submit? — About 1 minute, but may take up to 16 hours.

1993.   Is the selection task mandatory for assessment? — Yes, application cannot be assessed until it's submitted.

1994.   What is assessed in selection task? — Genuine Student Requirement (GSR) under SSVF guidelines.

1995.   What happens if GSR is not met? — Application is not considered further; ineligible notification.

1996.   What personal history questions are included? — Citizenship, state of residence, relatives in Australia, visa refusals/cancellations.

1997.   What to upload if visa refusal/cancellation is Yes? — Upload the Visa Refusal/Cancellation Notice.

1998.   What if there are no refusals/cancellations? — Upload blank documents to satisfy the mandatory upload fields.

1999.   When is a GSR Statement of Purpose (SOP) required? — If prompted by state/district criteria or visa history responses.

2000.   Where to get the GSR SOP form? — Provided within the selection task; download and upload completed.

2001.   Are both upload boxes compulsory? — Yes, files must be uploaded to both required fields to submit.

2002.   What if you were ever unlawful (invalid visa)? — Provide a written explanation (≤250 words).

2003.   Are prior exclusions from Australian providers queried? — Yes; select reasons and optionally provide written explanation.

2004.   Is there a dual citizenship screening? — Yes; certain countries prompt additional detail.

2005.   What to do if red-highlighted blanks prevent submission? — Complete missing fields and try submitting again.

2006.   What confirms selection-task submission? — Status changes to "Submitted," and application status moves to "Under assessment."

2007.   After task submission, can supporting docs still be added? — Yes, via dashboard.

2008.   Can the selection task be edited after submission? — No; contact details and supporting docs only can be updated.

2009.   By when must the selection task be submitted? — No later than the RMIT Applications Portal closing date (as applicable for the admission cycle).

2010.   If multiple programs were selected, how many tasks? — Only one selection task is required.

2011.   BITS–RPI Mechanical Course Mappings (261–280)

2012.   BITS BIO F101 maps to which RPI course(s)? — BIOL 1010 and BIOL 1015 (Intro to Biology + Lab).

2013.   CHEM F101 maps to which RPI course? — CHEM 1100: Principles of Chemistry I.

2014.   MATH F101 + MATH F102 map to which RPI course? — MATH 2010: Multivariable Calculus and Matrix Algebra.

2015.   PHY F101 maps to which RPI course? — PHYS 1100: Physics I.

2016.   BITS F234 maps to which RPI course? — ENGR 2050: Introduction to Engineering Design.

2017.   ME F112 maps to which RPI course? — ENGR 1300: Engineering Processes.

2018.   BITS F111 (Thermodynamics) maps to RPI as? — MANE 1000: MANE Elective (in ME mapping).

2019.   CS F111 maps to which RPI course? — CSCI 1100: Computer Science I.

2020.   EEE F111 maps to which RPI course (ME mapping)? — ECSE 2010: Electric Circuits.

2021.   MATH F113 maps to which RPI course? — ENGR 2600: Modeling and Analysis of Uncertainty.

2022.   BITS F112 maps to which RPI requirement? — COMM 1000: Communications Elective.

2023.   BITS F101, BITS K101, BITS F102 count where? — For BITS graduation requirements only.

2024.   Humanities Elective 1 (summer) counts how? — 1st Humanities Elective (of 3 total required across the program).

2025.   Humanities Elective 2 (summer) counts how? — 2nd Humanities Elective (of 3 total required).

2026.   MATH F211 maps to which RPI course? — MATH 2400: Introduction to Differential Equations.

2027.   ME F211 maps to which RPI equivalence? — MANE 2000: MANE Elective.

2028.   ME F216 maps to which RPI course? — ENGR 1600: Materials Science for Engineers.

2029.   ME F217 maps to which RPI course? — MANE 2710: Thermodynamics.

2030.   ME F212 maps to which RPI course? — MANE 2720: Fluid Mechanics.

2031.   ME F316 maps to which RPI course? — MANE 2000: MANE Elective (Manufacturing Management as elective).

2032.   BITS–RPI Mechanical Advanced Mappings (281–300)

2033.   ME F317 maps to which RPI? — MANE 2000: MANE Elective (Engines, Motors, and Mobility).

2034.   ECON F211 maps to which RPI? — INQR 1200: Principles of Economics.

2035.   ME F218 maps to which RPI? — ENGR 2530: Strength of Materials.

2036.   ME F219 maps to which RPI? — ENGR 2710: General Manufacturing Processes.

2037.   ME F220 maps to which RPI? — MANE 4730: Heat Transfer.

2038.   ME F221 maps to which RPI? — MANE 4180: Mechanisms.

2039.   BITS F225 maps to which RPI? — STSO 2300: Environment and Society.

2040.   ME F318 maps to which RPI? — MANE 2000: MANE Elective (Computer-Aided Design).

2041.   ENGR 2090 (RPI) counts at BITS as? — 1st Open Elective of 5 at BITS.

2042.   HASS Core Elective (RPI) counts at BITS as? — 2nd Open Elective of 5 at BITS (also HASS Core 1 at RPI).

2043.   MANE 2110 (Numerical Methods & Programming, RPI) counts as? — 1st Discipline Elective of 4 at BITS.

2044.   PHYS 1200 (RPI) counts at BITS as? — 3rd Open Elective of 5.

2045.   STSO 4100 (RPI PD2) counts where? — For RPI graduation only.

2046.   ADMN 1030 (RPI) counts where? — For RPI graduation only.

2047.   MANE 2220 (RPI Inventor's Studio 1) maps to BITS as? — BITS F456: Capstone Project I.

2048.   MANE 4500 + MANE 4160 (RPI combo) map to BITS as? — ME F319 (Vibrations and Controls, core) + 2nd Discipline Elective at BITS.

2049.   MANE 4040 (RPI Mech Systems Lab) maps to BITS as? — 3rd Discipline Elective at BITS.

2050.   MANE 4740 + MANE 496x (RPI combo) map to BITS as? — ME F341 (Prime Movers & Fluid Machines, core) + 4th Discipline Elective.

2051.   MANE 4030 (Elements of Mechanical Design, RPI) maps to BITS as? — ME F314 (Design of Machine Element, core) and is Tech Elective I at RPI.

2052.   MANE 4260 or MANE 4220 (RPI Capstone) maps to BITS as? — BITS F457: Capstone Project II; all BITS–RPI students complete two capstones instead of PS II/Thesis.

2053.   Note: The EEE mappings (ECSE tracks), additional HASS core mappings, and some RMIT-side operational details are also covered within the sections above (for completeness: ECSE

2054.   Below is a numbered set of 400 descriptive questions and concise answers that comprehensively cover the attached PDFs for the BITS–RPI and BITS–RMIT international collaborative programs: academic calendars (admissions timeline and semester events), BITS-side fee schedules, RPI-side tuition and scholarships, RMIT-side tuition policy notations, and detailed BITS–RPI equivalency mappings for Mechanical Engineering (ME) and Electrical & Electronics Engineering (EEE). The items are grouped logically for quick scanning and complete coverage.

2055.   Program Overview and Structure (1–30)

2056.   What international model do these collaborations follow? — A 2+2 dual-degree pathway: Years 1–2 at BITS Pilani (with a possible summer term) and Years 3–4 at the partner university.

2057.   Which partner institutions are covered in these PDFs? — Rensselaer Polytechnic Institute (RPI), USA, and RMIT University, Australia.

2058.   Which BITS degree maps to RPI Mechanical Engineering? — B.E. Mechanical at BITS maps to B.S. in Mechanical Engineering at RPI.

2059.   Which BITS degree maps to RPI Electrical Engineering? — B.E. Electrical & Electronics at BITS maps to B.S. in Electrical Engineering at RPI.

2060.   Where are the first two years of study conducted? — At BITS Pilani campuses (Pilani, Goa, Hyderabad as applicable).

2061.   Where are Years 3–4 completed? — At the partner institution: RPI in the USA or RMIT in Australia.

2062.   Is a BITS summer term always required? — Only if required by the curriculum/progression; otherwise, it isn't mandatory.

2063.   Who finalizes the RPI Years 3–4 plan? — RPI academic advisors, upon the student's entry to RPI.

2064.   Can new courses be introduced to meet programme requirements? — Yes, if needed to fulfill graduation requirements.

2065.   Do students remain in the same specialization level across institutions? — Yes, they continue within the same discipline and qualification level.

2066.   Are some BITS courses counted only towards BITS graduation? — Yes, certain holistic courses (e.g., Navigating Campus Life, Physical Fitness, Innovation & Design Thinking) count for BITS only.

2067.   Are some RPI/RMIT professional development courses counted only on the partner side? — Yes, some PD courses satisfy partner graduation requirements only.

2068.   Do these collaborations include humanities/social science requirements? — Yes, via HASS (at RPI) and Humanities Electives (at BITS), with mapped cross-crediting.

2069. Do BITS–RPI plans replace Practice School II/Thesis? — Yes, with two capstone projects mapped via RPI courses.

2070. Are the RPI Years 3–4 sequences fixed or tentative? — Tentative; finalized with advisors after matriculation at RPI.

2071. How are partner credits converted to BITS units (and vice versa)? — By establishing course equivalency and applying agreed conversion.

2072. Do all BITS campuses share the same BITS-side fee schedule? — Yes, the BITS-side fees listed are uniform across Pilani, Goa, and Hyderabad.

2073. Will students pay BITS fees in Years 1–2 and partner fees in Years 3–4? — Yes, BITS schedule for first two years; then partner's nonresident/international schedule.

2074. Are partner tuition increases noted? — Yes, RPI typically 2–4% annually; RMIT up to 7.5% per calendar year.

2075. Are living costs and amenities at partner institutions covered in tuition? — No, separate (refer to partner guides).

2076. Are summer sessions at partner institutions included in tuition? — No, typically additional and per-course.

2077. Do both RPI and RMIT segments include technical electives? — Yes, with mapping to BITS open/discipline/technical electives.

2078. Do the plans include lab courses at RPI? — Yes, e.g., Mechanical Systems Lab, Thermal & Fluids Lab in ME; ECSE labs in EEE.

2079. Are capstone requirements satisfied at RPI? — Yes, mapped to BITS F456/F457 capstone equivalents.

2080. Can course lists change year to year? — Yes, subject to institutional updates; follow the latest mapping and advisor guidance.

2081. Are open/discipline elective counts specified on the BITS side? — Yes, mapping indicates required counts fulfilled through RPI courses.

2082. Are program requirements identical across cohorts? — Foundationally similar, but specifics may evolve.

2083. Are the equivalency tables course-by-course? — Yes, with symbols referring to detailed mapping notes.

2084. Is the BITS–RMIT side also a 2+2 dual-degree arrangement? — Yes, with Years 1–2 at BITS, Years 3–4 at RMIT.

2085. Do these documents include seat counts? — No, seat allocations are not specified.

2086. BITS–RPI Admissions 2025: Application and Iterations Timeline (31–75)

2087.	When does the BITS–RPI application start (2025)? — January 20, 2025.

2088.	What is the deadline to apply online for BITSAT Session I or both sessions? — April 24, 2025.

2089.	What are the first edit dates for applications (Session I)? — April 29–May 01, 2025.

2090.	When are Session I test cities announced? — May 13, 2025.

2091.	What are the Session I test slot reservation dates? — May 13–16, 2025.

2092.	From when can Session I hall tickets be downloaded? — May 23, 2025 until the exam day.

2093.	When is BITSAT Session I conducted? — May 26–30, 2025.

2094.	What are the Session II application dates? — May 26–June 10, 2025.

2095.	What are the Session II edit dates? — June 13–14, 2025.

2096.	When are Session II test cities announced? — June 16, 2025.

2097.	What are the Session II slot booking dates? — June 16–17, 2025.

2098.	From when can Session II hall tickets be downloaded? — June 20, 2025 until the exam day.

2099.	When is BITSAT Session II conducted? — June 22–26, 2025.

2100.	When can students apply with 12th marks and preferences? — June 01–30, 2025.

2101.	When are moderated final BITSAT scores displayed? — July 02, 2025.

2102.	When is the preference-editing window after scores? — July 03–05, 2025.

2103.	When is Iteration I (BITS–RPI) admit/waitlist announced? — July 11, 2025.

2104.	What is the Iteration I offer acceptance deadline (with fee/advance)? — July 15, 2025.

2105.	When is Iteration II (BITS–RPI) announced? — July 17, 2025.

2106.	When is the Iteration II balance-fee payment deadline? — July 21, 2025.

2107.	What is the Iteration II withdrawal deadline? — July 22, 2025.

2108.	When is Iteration III (BITS–RPI) announced? — July 23, 2025.

2109.	When is the Iteration III balance-fee payment deadline? — July 26, 2025.

2110.	What is the Iteration III withdrawal deadline? — July 27, 2025.

2111.	When must Iteration I–III admits report at Pilani campus? — July 29, 2025, 10:00 AM IST.

2112.	When is the BITS–RPI programme-specific telepresence orientation? — July 29, 2025, 4:30–6:00 PM IST.

2113.   When is the parent interaction with leadership? — July 30, 2025 (Afternoon).

2114.   When is Fresh-students Orientation-I (for July 29 reporters)? — July 31, 2025.

2115.   When is Iteration IV announced? — July 31, 2025.

2116.   When is course registration for BITS–RPI students? — August 01, 2025.

2117.   When does class-work begin for Iterations I–III? — August 02, 2025.

2118.   What is the balance-fee deadline for Iteration IV? — August 04, 2025.

2119.   When must Iteration IV admits report? — August 08, 2025 (with one-week compensatory classes).

2120.   When is Iteration V announced? — August 09, 2025.

2121.   What is the balance-fee deadline for Iteration V? — August 14, 2025.

2122.   Are compensatory classes provided for late reporting? — Yes: one week for Iteration IV, two weeks for Iteration V.

2123.   Are these timelines specific to BITS–RPI? — Yes, in the BITS–RPI Academic Calendar; institute-wide holidays and exam windows also apply.

2124.   Does the calendar specify reporting campus for Iterations I–III? — Yes, Pilani campus for reporting on July 29, 2025.

2125.   Are further orientation details provided by campuses? — Yes, campuses share detailed orientation information.

2126.   How are withdrawals processed? — By submitting an online request using required credentials by the specified deadlines.

2127.   Does the calendar list selection task steps? — No, selection tasks are in the RMIT application guide; BITS–RPI calendar covers BITS iterations.

2128.   Can dates be revised by the institute? — Yes, follow official announcements for any changes.

2129.   Are fee payment deadlines tied to iteration outcomes? — Yes, each iteration includes corresponding fee deadlines.

2130.   Is the preference-editing window short? — Yes, only three days (July 03–05, 2025).

2131.   Does class-work start before Iteration V? — Yes, class-work begins August 02, 2025; Iteration V is August 09, 2025.

2132.   BITS–RPI Semester 1 Events and Holidays (76–110)

2133.   When are Independence Day and Janmashtami holidays? — August 15 and 16, 2025, respectively.

2134.   What is the last day for substitution of courses (Sem 1)? — August 18, 2025.

2135.   When is Orientation Program II (new admissions)? — August 23, 2025.

2136.   When is Orientation Program III (new admissions)? — August 24, 2025.

2137.   When is Ganesh Chaturthi? — August 27, 2025.

2138.   When is Milad-un-Nabi? — September 06, 2025.

2139.   Which two holidays occur on October 02, 2025? — Gandhi Jayanti and Dussehra.

2140.   What are Sem 1 mid-sem exam dates? — October 06–11, 2025.

2141.   When is Deepavali? — October 20, 2025.

2142.   What is the last date to withdraw courses (Sem 1)? — October 21, 2025.

2143.   When must mid-sem scripts be returned (Sem 1)? — October 28, 2025.

2144.   When is the last day for mid-semester grading (Sem 1)? — October 31, 2025.

2145.   When is Guru Nanak Jayanti? — November 05, 2025.

2146.   When is the last day of classes (Sem 1)? — November 29, 2025.

2147.   When do comprehensive exams begin (Sem 1)? — December 01, 2025.

2148.   When do comprehensive exams end (Sem 1)? — December 16, 2025.

2149.   When does Semester 1 officially end? — December 16, 2025.

2150.   What are the recess dates? — December 18, 2025–January 04, 2026.

2151.   When is Goa Liberation Day (Goa campus)? — December 19, 2025.

2152.   When is Christmas? — December 25, 2025.

2153.   Do mid-sems suspend class-work? — Yes, class-work is suspended during mid-sem exam week.

2154.   Is the course substitution deadline early in the semester? — Yes, by August 18, 2025.

2155.   Does Deepavali fall before the course withdrawal deadline? — Yes, Deepavali is Oct 20; withdrawal is Oct 21.

2156.   Are holidays campus-wide unless specified? — Yes, except campus-specific notes like Goa Liberation Day.

2157.   Is there a gap between semester end and recess start? — Yes, Sem 1 ends Dec 16; recess starts Dec 18.

2158.   Are orientations after class-work begins? — Orientation programs II and III occur August 23–24; class-work starts August 02.

2159.   Are there holiday overlaps with exams? — Holidays are listed; exam windows are set to minimize conflict.

2160.	Is Gandhi Jayanti also Dussehra in 2025? — Yes, both fall on October 02, 2025.

2161.	Are script return and grading deadlines close? — Yes, script return Oct 28; grading Oct 31.

2162.	Is the comprehensive exam window about two weeks? — Yes, Dec 01–16.

2163.	Are recess and Christmas aligned? — Yes, Christmas falls within recess.

2164.	Are late-reporting students offered compensatory classes? — Yes, one or two weeks depending on iteration.

2165.	Are orientation details campus-specific? — Yes, campuses share specific schedules and venues.

2166.	Are further special events listed in Sem 1? — Academic calendar focuses on admissions, holidays, exams, and key dates.

2167.	Are these dates strictly enforced? — Yes, treat deadlines as hard cutoffs unless notified otherwise.

2168.	BITS–RPI Semester 2 and Summer (111–145)

2169.	When is Sem 2 registration for all students? — January 05, 2026.

2170.	When does class-work begin (Sem 2)? — January 06, 2026.

2171.	When is Makar Sankranti? — January 14, 2026.

2172.	What is the last day for course substitution (Sem 2)? — January 21, 2026.

2173.	When is Vasant Panchami & Founder's Day (Pilani)? — January 23, 2026.

2174.	When is Republic Day? — January 26, 2026.

2175.	When is Maha Shivratri? — February 15, 2026.

2176.	When is Holi? — March 04, 2026.

2177.	When are Sem 2 mid-sems (class-work suspended)? — March 09–14, 2026.

2178.	When is Ugadi (Hyderabad)? — March 19, 2026.

2179.	What is the last day for withdrawal (Sem 2)? — March 20, 2026.

2180.	When must mid-sem scripts be returned (Sem 2)? — March 24, 2026.

2181.	When is Ram Navami? — March 26, 2026.

2182.	When is the last day for mid-semester grading (Sem 2)? — March 27, 2026.

2183.	When is Mahavir Jayanti? — March 31, 2026.

2184.	When is Good Friday? — April 03, 2026.

2185.   When is Ambedkar Jayanti? — April 14, 2026.

2186.   What is the last day for pre-comprehensive marks display (Sem 2)? — April 28, 2026.

2187.   What is the last day for class-work (Sem 2)? — April 29, 2026.

2188.   When is Buddha Purnima? — May 01, 2026.

2189.   When do comprehensive exams begin (Sem 2)? — May 02, 2026.

2190.   When do comprehensive exams end (Sem 2)? — May 16, 2026.

2191.   When does Semester 2 end? — May 19, 2026.

2192.   When does summer vacation begin? — May 21, 2026.

2193.   When does the summer term begin? — May 21, 2026.

2194.   When is Id-ul-Zuha? — May 26, 2026.

2195.   When does the summer term end? — July 19, 2026.

2196.   When does summer vacation end? — July 19, 2026.

2197.   Are there multiple March holidays in Sem 2? — Yes, Holi, Ugadi, Id-ul-Fitr, Ram Navami, Mahavir Jayanti.

2198.   Is class-work suspended during mid-sems? — Yes, March 09–14, 2026.

2199.   Are pre-comprehensive marks displayed before last day of class? — Yes, April 28 precedes April 29 class end.

2200.   Is the exam window about two weeks again? — Yes, May 02–16.

2201.   Do summer term and vacation overlap? — Yes; enrolled students attend classes; others are on vacation.

2202.   Are campus-specific holidays noted in Sem 2? — Yes, e.g., Pilani's Founder's Day; Hyderabad's Ugadi.

2203.   Are holiday dates subject to change? — Islamic holidays may vary; follow official notifications.

2204.   BITS–RPI: BITS-Side Fee Schedule (AY 2025–26) (146–180)

2205.   What is the BITS admission fee? — INR 60,500.

2206.   What is the BITS semester tuition (Sem 1, AY 2025–26)? — INR 4,21,350.

2207.   What is the BITS semester tuition (Sem 2, AY 2025–26)? — INR 4,21,350.

2208.   What is the BITS summer term fee (AY 2025–26, if registered)? — INR 1,47,500.

2209.   What is the Student's Union fee (annual)? — INR 450.

2210.   What is the Student's Aid Fund (annual)? — INR 225.

2211.   What is the hostel fee per semester? — INR 32,700 per semester; INR 16,350 in summer (if registered).

2212.   What is the mess & electricity advance per semester? — INR 10,000 per semester; INR 5,000 in summer (if registered).

2213.   Are mess advances adjustable? — Yes, adjusted at term end.

2214.   What are Other Advances per semester? — INR 12,000 per semester, adjustable at term end.

2215.   What is the institute caution deposit? — INR 3,000.

2216.   Are these amounts uniform across campuses? — Yes, across Pilani, Goa, Hyderabad.

2217.   Are BITS semester tuition and hostel fees revised annually? — Yes, upward every year.

2218.   What percentage defines summer term tuition relative to semester tuition? — 35% of the semester tuition for that year.

2219.   Is every summer term part of the academic calendar? — No; only when specifically scheduled and if the student registers.

2220.   Are all fees to be paid in advance? — Yes.

2221.   Which items are refundable later? — Only caution deposit and mess advance (after adjusting dues).

2222.   Do students switch to RPI/RMIT fee schedules after two years? — Yes, for Years 3–4.

2223.   Is the BITS summer term fee charged every year? — Only one of AY 2025–26 or AY 2026–27, as needed for program completion.

2224.   Will any new levies/taxes be passed on? — Yes, irrespective of year of entry.

2225.   Are late fees or penalties described? — Not specified; adhere to payment deadlines.

2226.   Are hostel fees applicable only to residents? — Yes, only for on-campus students.

2227.   Are detailed non-tuition fee breakdowns included? — The schedule lists core advances; consult campus circulars for further details.

2228.   Do fee schedules include due dates? — No; follow admissions/finance communications.

2229.   Are the same BITS-side fees used for BITS–RMIT? — Yes, the BITS-side schedule matches across collaborations.

2230.   Can fee amounts change mid-year? — Tuition is set per academic year; any new levies can be passed on.

2231.   Are advances reconciled term-end? — Yes, both mess & electricity and Other Advances are adjustable.

2232.   Is GST or tax noted? — Not specified; institutional notices apply.

2233.   Are instalment plans mentioned? — Not in these PDFs; check finance office.

2234.   Are merit-based waivers at BITS mentioned here? — Only that BITS–RPI students can compete with peers for Merit/MCN with the same caps.

2235.   Does BITS specify hostel summer fee separately? — Yes, INR 16,350 for the summer term.

2236.   Do all three campuses share the same summer term fee in a given year? — Yes.

2237.   Is the summer term mandatory charge? — Only if the student registers for summer.

2238.   Are meal plan specifics listed? — Only advances; detailed mess charges settle at term end.

2239.   Does the caution deposit accrue interest? — Not indicated; it is refundable upon clearance.

2240.   RPI Tuition, Increases, and Scholarships (181–210)

2241.   What is the quoted RPI annual tuition & fees (2025–26 rate)? — $87,752 per year.

2242.   Do summer sessions at RPI incur extra costs? — Yes, additional and on a per-course basis.

2243.   How often can RPI nonresident tuition be adjusted? — Annually, typically 2–4%.

2244.   Where can updated RPI cost information be found? — RPI's Cost of Attendance website.

2245.   Are living costs included in tuition? — No, housing, food, and other expenses are separate.

2246.   What is the RPI scholarship range for Academy students? — Up to $25,000–$30,000 per year for two years.

2247.   What is the basis for RPI Engineering Cohort Merit Scholarships? — Successful completion and academic performance during the first two BITS years.

2248.   Which portion of the cohort is eligible for RPI merit awards? — Top 75% of the BITS–RPI cohort.

2249.   Do BITS–RPI students have special BITS scholarships in Years 1–2? — No separate category; they can compete for BITS Merit/MCN on the same criteria and caps as regular students.

2250.   Are amenities and other fees listed at RPI? — Refer to RPI's cost pages.

2251.   Can tuition increases raise overall programme cost? — Yes, due to annual increases.

2252.   Are RPI scholarship amounts fixed or variable? — Offered within the $25k–$30k range; subject to RPI policies.

2253.   How long are RPI scholarships tenable? — Two years (Years 3–4 at RPI).

2254.   Does exchange rate impact INR-equivalent costs? — Yes, for budgeting.

2255.   Are refund policies at RPI described here? — Not in the PDF; refer to RPI policies.

2256.   Are instalment/payment options at RPI covered? — Not here; consult RPI student accounts.

2257.   Is financial documentation relevant to visas? — Yes, but outside these PDFs (handled via US visa processes).

2258.   Are GPA thresholds specified for the cohort awards? — Not quantified beyond top 75%; exact criteria set by RPI.

2259.   Are other RPI scholarships mentioned? — Not here; check RPI's scholarship pages.

2260.   Does RPI tuition include health insurance? — Health and related costs are separate.

2261.   BITS–RMIT: BITS-Side Fees and RMIT Policy Notes (201–230)

2262.   What is the BITS admission fee for BITS–RMIT AY 2025–26? — INR 60,500.

2263.   What is the BITS semester tuition per semester AY 2025–26? — INR 4,21,350 (Sem 1 and Sem 2).

2264.   What is the BITS summer term fee AY 2025–26 (if registered)? — INR 1,47,500.

2265.   What are the annual Student's Union and Aid Fund fees? — INR 450 and INR 225, respectively.

2266.   What are hostel fees per semester and in summer? — INR 32,700 per semester; INR 16,350 in summer.

2267.   What are mess & electricity advances? — INR 10,000 per semester; INR 5,000 in summer.

2268.   What are Other Advances per semester? — INR 12,000 per semester.

2269.   What is the caution deposit? — INR 3,000 (refundable after dues clearance).

2270.   Are fees revised annually upward? — Yes.

2271.   Is the summer term tuition 35% of semester tuition? — Yes, for the corresponding academic year.

2272.   Are fees paid in advance? — Yes.

2273.   Which items are refundable? — Only caution deposit and mess advance (after adjustment).

2274.   Where can RMIT Years 3–4 fees be found? — Referenced at bitsrmit.in and RMIT program guide.

2275. Is the BITS summer term fee charged every year? — No, only one of AY 2025–26 or AY 2026–27 as required.

2276. Can new levies/taxes be passed through? — Yes, to all existing students regardless of entry year.

2277. Are the BITS-side fees uniform across campuses? — Yes.

2278. Are RMIT-side fee increases noted? — RMIT may adjust up to 7.5% each calendar year (subject to rounding).

2279. Why might total cost be higher for later starters at RMIT? — Annual fee increases at the start of each calendar year.

2280. Are amenities fees, OSHC, and living costs included in RMIT tuition? — No, separate.

2281. Is there a BITS–RMIT refund policy link? — Yes, referenced in the fee PDF.

2282. Are instalments or due dates for BITS–RMIT listed? — Not in the PDF; follow official notices.

2283. Are hostel/mess advances adjustable? — Yes, settle at term end.

2284. Do RMIT fees apply in Years 3–4 for all programs listed? — Yes, per RMIT's schedule for the relevant programs.

2285. Is the 35% rule identical in BITS–RMIT? — Yes, summer tuition is 35% of that year's semester tuition.

2286. Are fee amounts exactly the same as BITS–RPI BITS-side? — Yes, the same BITS-side schedule is shown.

2287. Are class-specific fees (labs) mentioned on BITS side? — Not beyond the advances; labs included in tuition.

2288. Are BITS scholarships discussed here? — Not detailed; refer to BITS scholarship pages.

2289. Are payment modes included? — Not here; see BITS finance office.

2290. Are campus-specific hostel fee differences noted? — Not in these PDFs; same values listed institution-wide.

2291. Are late-reporting compensatory classes applicable to BITS–RMIT too? — Iteration compensatory classes are described in respective calendars (the BITS–RMIT academic calendar file is separate, not attached here).

2292. BITS–RPI ME Mapping: BITS Year 1 (231–250)

2293. Which BITS course maps to RPI BIOL 1010 & BIOL 1015? — BIO F101: Introduction to Biological Sciences.

2294. Which BITS course maps to CHEM 1100 at RPI? — CHEM F101: Fundamentals of Chemistry.

2295.   Which combination maps to MATH 2010 at RPI? — MATH F101 (Multivariable Calculus I) + MATH F102 (Linear Algebra and Complex Variables).

2296.   Which BITS physics course maps to PHYS 1100 at RPI? — PHY F101: Oscillations and Waves.

2297.   Which BITS design course maps to ENGR 2050 at RPI? — BITS F234: Introduction to Engineering Design.

2298.   Which BITS workshop course maps to ENGR 1300 at RPI? — ME F112: Workshop Practice.

2299.   How is BITS F111 Thermodynamics counted at RPI (ME mapping)? — As MANE 1000: MANE Elective.

2300.   Which BITS CS course maps to CSCI 1100 at RPI? — CS F111: Computer Programming.

2301.   Which BITS EEE course maps to ECSE 2010 at RPI (ME mapping)? — EEE F111: Electrical Sciences.

2302.   Which BITS probability course maps to ENGR 2600 at RPI? — MATH F113: Probability and Statistics.

2303.   Which BITS writing course maps to COMM 1000 at RPI? — BITS F112: Technical Report Writing.

2304.   Which three BITS holistic courses are for BITS graduation only? — BITS F101 (Navigating Campus Life), BITS K101 (Physical Fitness & Creative Arts), BITS F102 (Innovation & Design Thinking).

2305.   Are Humanities Elective 1 & 2 recognized by both BITS and RPI? — Yes, they fulfill humanities/HASS requirements across institutions.

2306.   What is the total unit load typical for Year 1 semesters in the table? — 17 units in Sem 1; 21 units in Sem 2 (as depicted).

2307.   Are these unit values BITS units? — Yes; RPI credits map separately via equivalency.

2308.   Do Year 1 courses build foundation across science, math, and engineering? — Yes, covering biology, chemistry, physics, math, computing, design, and basics.

2309.   Are Humanities Electives placed in summer? — Yes, two humanities electives are shown in the summer term.

2310.   Are any BITS Year 1 courses counted as RPI-only? — No; rather, some BITS-only courses are not counted on RPI side.

2311.   Is BITS F111 always mapped to MANE 1000 in ME plan? — In ME mapping, yes; EEE mapping handles Thermodynamics differently.

2312.   Does the mapping define lab equivalences where relevant? — Biology includes a lab component mapped via BIOL 1015.

2313.   BITS–RPI ME Mapping: BITS Year 2 (251–280)

2314.   Which BITS math course maps to RPI MATH 2400? — MATH F211: Mathematics III (Intro to Differential Equations).

2315.   Which BITS Mechanics of Solids course maps to a MANE elective? — ME F211 → MANE 2000 (MANE Elective).

2316.   Which BITS materials course maps to RPI's materials science? — ME F216 → ENGR 1600: Materials Science for Engineers.

2317.   Which BITS applied thermodynamics maps to RPI thermodynamics? — ME F217 → MANE 2710: Thermodynamics.

2318.   Which BITS fluid mechanics maps to RPI fluid mechanics? — ME F212 → MANE 2720: Fluid Mechanics.

2319.   Which BITS manufacturing management maps as an elective? — ME F316 → MANE 2000 (MANE Elective).

2320.   Which BITS engines/mobility course maps as an elective? — ME F317 → MANE 2000 (MANE Elective).

2321.   Which BITS economics course maps to RPI economics? — ECON F211 → INQR 1200: Principles of Economics.

2322.   Which BITS advanced mechanics of solids maps at RPI? — ME F218 → ENGR 2530: Strength of Materials.

2323.   Which BITS manufacturing processes maps at RPI? — ME F219 → ENGR 2710: General Manufacturing Processes.

2324.   Which BITS heat transfer maps to RPI? — ME F220 → MANE 4730: Heat Transfer.

2325.   Which BITS mechanisms/machines maps to RPI mechanisms? — ME F221 → MANE 4180: Mechanisms.

2326.   Which BITS environmental studies maps at RPI? — BITS F225 → STSO 2300: Environment and Society.

2327.   Which BITS CAD course maps as a MANE elective? — ME F318 → MANE 2000 (MANE Elective).

2328.   Do these Year 2 mappings satisfy core ME areas? — Yes, solids, materials, thermo/fluids, manufacturing, and mechanisms.

2329.   Are some courses counted as electives at RPI? — Yes, several BITS courses map to MANE 2000 (elective).

2330.   Do BITS discipline electives get satisfied later at RPI? — Yes, via mapped RPI ME/technical courses.

2331. Are course codes with "F" BITS courses? — Yes, BITS courses use the "F" suffix in codes.

2332. Are RPI courses prefixed by ENGR/MANE/etc.? — Yes, RPI prefixes reflect departments (ENGR, MANE, STSO, PHYS, etc.).

2333. Are humanities/HASS requirements distributed across both institutions? — Yes, with HUELs at BITS and HASS at RPI.

2334. Are BITS electives counted as open or discipline at BITS? — Mapping specifies which count toward open or discipline electives.

2335. Do BITS Year 2 units sum to 21 and 22 in the template? — Yes, as per the table.

2336. Can Year 2 summer be needed at BITS? — Yes, based on course completion needs.

2337. Are mapping notes numbered ① to ㊿? — Yes, with each symbol explaining a mapping.

2338. Are ENGR 2530/2710 typical RPI mechanical core areas? — Yes, strength and manufacturing processes.

2339. Does ME F221 mapping to MANE 4180 emphasize mechanisms design? — Yes, mechanisms coursework is maintained.

2340. Is RPI heat transfer at advanced level (MANE 4730)? — Yes, mapped from BITS ME F220.

2341. Does BITS F225 fulfill a social/environmental context requirement? — Yes, mapped to Environment and Society at RPI.

2342. Do elective mappings ensure no loss of credit? — The plan ensures equivalency and progression.

2343. Are all mapping choices fixed per student? — Advisors can adjust within allowed equivalency frameworks.

2344. BITS–RPI ME Mapping: RPI Years 3–4 (281–320)

2345. Which RPI dynamics course appears in Year 3? — ENGR 2090: Engineering Dynamics.

2346. How is ENGR 2090 counted at BITS? — As the 1st Open Elective of 5.

2347. Which RPI HASS Core Elective in Year 3 counts at BITS? — As the 2nd Open Elective of 5 (and 1st HASS core at RPI).

2348. Which RPI numerical methods course maps to a BITS discipline elective? — MANE 2110 → 1st Discipline Elective at BITS.

2349. Which RPI physics course counts as an open elective at BITS? — PHYS 1200 → 3rd Open Elective of 5.

2350. Which RPI PD course counts RPI-only? — STSO 4100 (PD2) → RPI graduation only.

2351. Which admin exploration course is RPI-only? — ADMN 1030 → RPI graduation only.

2352. Which RPI Inventor's Studio course maps to BITS Capstone I? — MANE 2220 → BITS F456: Capstone Project I.

2353. Which paired RPI courses map to BITS Vibrations & Controls and a discipline elective? — MANE 4500 + MANE 4160 → ME F319 + 2nd Discipline Elective.

2354. Which RPI Mechanical Systems Lab maps to a BITS discipline elective? — MANE 4040 → 3rd Discipline Elective.

2355. Which RPI Thermal & Fluids Lab plus Rotordynamics pair maps to BITS Prime Movers & Fluid Machines and a discipline elective? — MANE 4740 + MANE 496x → ME F341 + 4th Discipline Elective.

2356. Which RPI HASS Core Elective in Year 3 counts as BITS open elective? — The 2nd HASS core at RPI → 4th Open Elective at BITS.

2357. Which RPI PD Leadership is RPI-only? — ENGR 4010 (Leadership Competencies) → RPI graduation only.

2358. Which RPI Control Systems Lab is an extra discipline elective at BITS? — MANE 4510.

2359. Which RPI Computation Elective is strongly advised and maps to BITS Engg Optimization? — MANE 4280 → ME F320: Engineering Optimization (core).

2360. Which RPI Elements of Mechanical Design is mandatory and maps to BITS Design of Machine Element? — MANE 4030 → ME F314 (core), and counts as RPI Technical Elective I.

2361. Which RPI capstone options map to BITS Capstone II? — MANE 4260 or MANE 4220 → BITS F457: Capstone Project II.

2362. Which RPI free elective is advised and maps to BITS Advanced Manufacturing Process? — MANE 4640 → ME F315 (core).

2363. How many RPI technical electives must be taken in Year 4? — Technical Electives II–V (4 total), per plan.

2364. Which Year 4 HASS core counts also as BITS 3rd Humanities Elective? — The 3rd HASS core at RPI → 3rd BITS Humanities Elective (since 2 were completed at BITS).

2365. Are RPI technical electives drawn from School of Engineering/Science lists? — Yes, "SoE/S Technical Electives."

2366. Do SoE/S technical electives contribute to BITS open electives? — One of them maps as the 5th Open Elective at BITS.

2367. Can some RPI electives be "extra" toward BITS graduation? — Yes, some are considered extra open/discipline electives to meet BITS unit totals.

2368. Are capstones mandatory for BITS–RPI students? — Yes, two capstones replace Practice School II/Thesis.

2369.   Do RPI labs ensure experimental exposure? — Yes, Mechanical Systems and Thermal/Fluids labs.

2370.   Are PD courses required for RPI graduation? — Yes, per RPI curriculum (some RPI-only).

2371.   Are HASS selections guided by advisor pools? — Yes, choose from the HASS core elective pool at RPI.

2372.   Are BITS open electives fully satisfied by RPI Year 3–4 courses? — Yes, through the designated mappings.

2373.   Are computation topics emphasized at RPI? — Yes, numerical design optimization is advised (MANE 4280).

2374.   Is controls lab singled out as extra discipline elective? — Yes, MANE 4510 fulfills additional discipline credit at BITS.

2375.   Are machine design topics covered at RPI? — Yes, Elements of Mechanical Design (MANE 4030).

2376.   Is rotordynamics included? — Yes, MANE 496x in combination mapping with labs.

2377.   Are dynamics and vibrations paired structurally? — Yes, dynamics (ENGR 2090) and vibrations (MANE 4160) are present.

2378.   Is modeling & control of dynamic systems included? — Yes, MANE 4500.

2379.   Is mechanism synthesis present? — Mechanisms (MANE 4180) mapped from BITS.

2380.   Is emphasis placed on manufacturing? — Yes, processes (ENGR 2710) and analysis (MANE 4640).

2381.   Do HASS cores ensure breadth? — Yes, three HASS core electives at RPI mapped appropriately.

2382.   Is Physics II included at RPI? — Yes, PHYS 1200 counted as a BITS open elective.

2383.   Is administrative planning a formal RPI requirement? — Yes, ADMN 1030 is listed as 0-credit RPI-only.

2384.   Are these Year 3–4 sequences subject to change? — Yes, tentative; advisor-set upon arrival.

2385.   BITS–RPI EEE Mapping: BITS Year 1 (321–340)

2386.   Which BITS biology maps to RPI biology lecture + lab? — BIO F101 → BIOL 1010 & BIOL 1015.

2387.   Which BITS chemistry maps to RPI chemistry? — CHEM F101 → CHEM 1100.

2388.   Which BITS math pair maps to RPI MATH 2010? — MATH F101 + MATH F102 → Multivariable Calculus & Matrix Algebra.

2389.   Which BITS physics maps to RPI PHYS 1100? — PHY F101.

2390.   Which BITS intro engineering design maps to RPI? — BITS F234 → ENGR 2050.

2391.   Which BITS workshop practice maps to RPI? — ME F112 → ENGR 1300.

2392.   How is Thermodynamics mapped in EEE plan? — BITS F111 → MANE 2710: Thermodynamics.

2393.   Which BITS programming maps to RPI CSCI 1100? — CS F111.

2394.   Which BITS electrical sciences maps to RPI circuits? — EEE F111 → ECSE 2010.

2395.   Which BITS probability maps to RPI uncertainty modeling? — MATH F113 → ENGR 2600.

2396.   Which BITS writing maps to RPI communications elective? — BITS F112 → COMM 1000.

2397.   Which BITS holistic courses are for BITS only? — BITS F101, BITS K101, BITS F102.

2398.   Are Humanities Elective 1 & 2 BITS-only for EEE? — They are required to fulfill BITS humanities; EEE mapping notes flag them as BITS-only humanities.

2399.   Are unit totals the same 17 and 21 in Year 1 EEE table? — Yes, shown as 17 (Sem 1) and 21 (Sem 2).

2400.   Does Year 1 EEE include computing and circuits? — Yes, CS F111 and EEE F111.

2401.   Is thermodynamics included as core for EEE? — Yes, mapped to RPI MANE 2710.

2402.   Are humanities electives positioned in summer? — Yes, two humanities electives are placed in the summer term.

2403.   Are any Year 1 courses unique in EEE vs ME mapping? — Thermodynamics mapping differs: EEE maps to MANE 2710 (core), ME maps to MANE 1000 (elective).

2404.   Are mapping symbols used identically? — Symbols are per-document; EEE uses its own symbol notes.

2405.   Are BITS EEE Year 1 courses foundational in math/science/engineering? — Yes, across biology, chemistry, physics, math, programming, circuits, and design.

2406.   BITS–RPI EEE Mapping: BITS Year 2 (341–365)

2407.   Which BITS math maps to RPI differential equations? — MATH F211 → MATH 2400.

2408.   Which BITS EEE course maps to RPI Electrical Energy Systems? — EEE F211 → ECSE 2110.

2409.   Which BITS EEE course maps to Fields and Waves? — EEE F212 → ECSE 2100.

2410.   Which BITS EEE course maps to Computer Components and Operations? — EEE F215 → ECSE 2610 (Digital Design).

2411.   Which BITS EEE course maps to Microelectronic Technology? — EEE F214 → ECSE 2210 (Electronic Devices).

2412.   Which BITS EEE circuits course maps to Intro to Electronics? — EEE F244 → ECSE 2050.

2413.   Which BITS EEE course maps to Embedded Control? — EEE F241 → ENGR 2350 (Microprocessors & Interfacing).

2414.   Which BITS EEE course maps to Control Systems Engineering (elective)? — EEE F242 → ECSE 4440.

2415.   Which BITS EEE course maps to Analog Design (elective)? — EEE F341 → ECSE 4030.

2416.   Which BITS economics or management maps to RPI? — ECON F211 → INQR 1200 or MGTS F211 → MGMT 1100.

2417.   Which BITS environmental studies maps to RPI STSO 2300? — BITS F225.

2418.   What is the open elective requirement at BITS in EEE mapping? — One minimum 3-unit open elective at BITS (1st of 5 open electives).

2419.   Does the EEE plan include both EE systems and electronics? — Yes, electrical machines, fields & waves, digital design, devices, circuits.

2420.   Are control systems recognized as an elective at RPI? — Yes, ECSE 4440 counts as elective there, and fulfills BITS EEE control requirement via mapping.

2421.   Are microprocessors & interfacing mapped to embedded control? — Yes, EEE F241 → ENGR 2350.

2422.   Is analog electronics mapped to analog design? — Yes, EEE F341 → ECSE 4030.

2423.   Are management/economics alternates available in mapping? — Yes, either Principles of Economics or Principles of Management.

2424.   Are discipline electives fulfilled later via RPI ECSE technical electives? — Yes, ECSE technical electives map to BITS discipline electives.

2425.   Are humanities requirements continued later at RPI? — Yes, HASS core electives at RPI map to remaining BITS humanities.

2426.   Is the Year 2 unit spread 20 and 20? — Yes, as shown in the table.

2427.   Do these mappings cover both analog and digital domains? — Yes, microelectronics, analog, digital, control, systems.

2428.   Are fields & waves explicitly included? — Yes, EEE F212 → ECSE 2100.

2429.   Are power and energy introduced in Year 2? — Energy systems mapping occurs in Year 2 via EEE F211.

2430.   Is an open elective at BITS mandated in Year 2? — Yes, the first open elective must be taken (minimum 3 units).

2431.   Are lab courses included in Year 2 EEE? — Labs are emphasized in Years 3–4 at RPI; Year 2 focuses on theory/core.

2432.   BITS–RPI EEE Mapping: RPI Years 3–4 (366–400)

2433.   Which RPI seminar is RPI-only? — ECSE 2900: ECSE Enrichment Seminar (RPI-only).

2434.   Which RPI ECSE technical elective counts as BITS 1st discipline elective? — An ECSE 3–4 credit technical elective in Year 3.

2435.   Which RPI signals course maps to BITS Signals & Systems? — ECSE 2410 → EEE F243 (required core at BITS).

2436.   Which RPI PHYS course counts as BITS discipline elective? — PHYS 1200 → 2nd Discipline Elective.

2437.   Which RPI HASS core counts as BITS 3rd Humanities elective? — The 1st RPI HASS Core in Year 3 (EEE plan) → 3rd Humanities elective at BITS.

2438.   Which RPI admin planning course is RPI-only? — ADMN 1030 (RPI-only).

2439.   Which RPI Inventor's Studio maps to BITS Capstone I? — MANE 2220 → BITS F456.

2440.   Which RPI ECSE tech elective in Year 3 maps to BITS 3rd discipline elective? — Another ECSE 3–4 credit technical elective.

2441.   Which RPI HASS core in Year 3 counts as BITS 2nd open elective? — The 2nd HASS core in Year 3 → BITS 2nd Open Elective.

2442.   Which RPI free elective in Year 3 counts as BITS 3rd open elective? — A 4-credit RPI course → BITS 3rd Open Elective.

2443.   Which RPI modern communications course is compulsory and maps to BITS Communication Systems? — ECSE 4560 → EEE F311.

2444.   Which pair of RPI analog/VLSI courses combine to map to BITS VLSI core? — ECSE 4030 (Analog IC Design) + ECSE 4220 (VLSI Design) → EEE F313 (Analog & Digital VLSI Design).

2445.   Which RPI HASS core in Year 4 becomes BITS 4th open elective? — The 3rd HASS core → BITS 4th Open Elective.

2446.   Which RPI numerical design optimization is compulsory and maps to BITS Engg Optimization? — MANE 4280 → ME F344 (Engineering Optimization).

2447.   Which RPI capstone maps to BITS Capstone II? — ECSE 4900 → BITS F457.

2448.   Which RPI power engineering analysis is compulsory and maps to BITS Power Systems? — ECSE 4110 → EEE F312.

2449.   Which RPI HASS core in Year 4 becomes BITS 5th open elective? — The 4th HASS core → BITS 5th Open Elective.

2450.   Which RPI semiconductor power electronics is compulsory and maps to BITS Power Electronics? — ECSE 4080 → EEE F342.

2451.   Which ECSE technical elective in Year 4 maps as the 4th discipline elective at BITS? — One ECSE 3–4 credit technical elective.

2452.   Do STSO 4100 and ENGR 4010 count as BITS extra open electives? — Yes, they are considered extra open electives to meet BITS graduation requirements.

2453.   Are ECSE technical electives chosen from a concentration list? — Yes, consult ECSE undergraduate concentrations.

2454.   Are HASS integrative pathways referenced? — Yes, see the RPI HASS advising page for pathways guidance.

2455.   Do BITS open electives total five? — Yes, fulfilled partly at BITS and partly via mapped RPI courses.

2456.   Do BITS humanities electives total three? — Yes, two at BITS in Years 1–2 and one via RPI HASS core in Year 4 (ME) or Year 3 (EEE mapping note).

2457.   Are capstones mandatory and replace PS II/Thesis? — Yes, ECSE/MANE capstones map to BITS F456/F457.

2458.   Are some RPI courses strictly RPI-only? — Yes, e.g., ECSE 2900, ADMN 1030; PD courses fulfill RPI graduation only.

2459.   Is Signals & Systems ensured at RPI? — Yes, ECSE 2410 mapped to BITS EEE F243.

2460.   Is communication systems ensured at RPI? — Yes, ECSE 4560 mapped to BITS EEE F311.

2461.   Is VLSI core fulfilled at RPI? — Yes, ECSE 4030 + ECSE 4220 combined to BITS EEE F313.

2462.   Is power systems included? — Yes, ECSE 4110 maps to EEE F312.

2463.   Is power electronics included? — Yes, ECSE 4080 maps to EEE F342.

2464.   Are optimization skills addressed? — Yes, MANE 4280 maps to BITS Engineering Optimization.

2465.   Are course sequences in Years 3–4 tentative? — Yes, finalized with RPI advisors upon entry.

2466.   Are lab experiences included in EEE? — Yes, via ECSE labs (e.g., ECSE 4560 as laboratory elective), among others.

2467.   Do the mapping tables ensure no academic dilution? — Yes, they maintain core coverage, labs, design, and electives across both institutions to meet both sets of graduation requirements.

2468.   This 1–400 Q&A set spans the full scope of your PDFs: admissions timelines and reporting, BITS-side fees and policies, partner-side tuition and scholarships (RPI/RMIT), summer-term rules, semester academic landmarks, compensatory classes, and comprehensive course-by-course equivalency mappings for BITS–RPI Mechanical and EEE tracks through Years 1–4,

including capstones, labs, HASS/humanities, open/discipline/technical electives, and professional development components.

2469.   Below is a numbered set of 400 descriptive questions with concise answers that comprehensively cover the attached PDFs: UBITS (BITS–UB) admissions brochure, BITS–RPI admissions brochure, BITS–ISU admissions brochure, BITS–CS Paris admissions brochure, Direct Admission to Board Toppers policy, BITSAT-2025 brochure (core rules that apply across), UBITS fee details, and UBITS academic calendar. The Q&A spans programme structures, eligibility, English proficiency, progression criteria, admissions process, timelines, fees and scholarships, academic mapping/credits, capstones vs. Practice School, visa and compliance, calendars/holidays/exams, and operational details.

2470.   Programme Model, Scope, and Universities (1–30)

2471.   What is the overall structure of these collaborations? — A 2+2 dual-degree model: Years 1–2 at BITS Pilani (with a possible summer term), then Years 3–4 at the partner university in the U.S. or France.

2472.   Which international partners are represented in the files? — University at Buffalo (UB), Rensselaer Polytechnic Institute (RPI), Iowa State University (ISU), and CentraleSupélec Paris (CS Paris).

2473.   What degrees are earned under these 2+2 pathways? — An engineering degree from BITS Pilani and a partner university bachelor's degree in the mapped discipline upon meeting both institutions' requirements.

2474.   Are programmes discipline-aligned across both institutions? — Yes, each pathway pairs the same or closely related specialization and qualification level.

2475.   Is a summer term at BITS always mandatory? — No, the summer term is required only if the curriculum or progression mapping demands it in Years 1–2.

2476.   Where do Years 3–4 take place for UBITS? — At the University at Buffalo, New York, USA.

2477.   Where do Years 3–4 take place for BITS–RPI? — At RPI in Troy, New York, USA.

2478.   Where do Years 3–4 take place for BITS–ISU? — At Iowa State University, Ames, Iowa, USA.

2479.   Where do Years 3–4 take place for BITS–CS Paris? — At CentraleSupélec, Paris-Saclay, France.

2480.   Are degrees from both institutions awarded separately? — Yes, degrees are awarded separately and simultaneously upon fulfilling both sets of requirements.

2481.   Which UBITS combinations are listed? — B.E. Computer Science (BITS) to UB's BS Computer Engineering; B.E. Computer Science (BITS) to UB's BS Computer Science; B.E. Electrical & Electronics (BITS) to UB's BS Electrical Engineering; B.E. ECE (BITS Goa) to UB's BS Electrical Engineering; B.E. Mechanical (BITS Hyderabad) to UB's BS Mechanical Engineering.

2482.   Which BITS–RPI combinations are listed? — B.E. Electrical & Electronics (BITS Pilani) to BS Electrical Engineering (RPI); B.E. Mechanical (BITS Pilani) to BS Mechanical Engineering (RPI).

2483.   Which BITS–ISU combinations are listed? — B.E. ECE (BITS Pilani) to BS Electrical Engineering (ISU); B.E. EEE (BITS Goa) to BS Electrical Engineering (ISU); B.E. Mechanical (BITS Goa) to BS Mechanical Engineering (ISU); B.E. Computer Science (BITS Hyderabad) to BS Computer Engineering (ISU).

2484.   Which BITS–CS Paris combinations are listed? — B.E. Computer Science (BITS Pilani or Goa) to B.E. Computer Science & Artificial Intelligence (CentraleSupélec Paris).

2485.   What is the normal duration of a 2+2 programme? — Eight semesters total: four at BITS (including one summer term if required) and four at the partner.

2486.   Is the aim of these programmes global exposure and industry readiness? — Yes, they emphasize cultural immersion, global perspectives, advanced facilities, and career preparation.

2487.   Are the partner programmes professionally accredited where applicable? — UB engineering programmes are ABET-accredited as noted; ISU/CS Paris/RPI maintain recognised accreditation in their systems.

2488.   Are capstones required at UB and RPI? — Yes, partner schools include capstone design sequences, which are mapped to BITS capstone requirements instead of Practice School/Thesis.

2489.   Do the documents mention the BITS cross-campus committee role (for UB)? — Yes, a cross-campus departmental committee coordinates detailed mappings and refinements for UBITS.

2490.   Are course credit/unit equivalencies discussed (UBITS)? — Yes, a 1 BITS unit is intended to align to a 1 UB credit for planning purposes, with final equivalence confirmed by the committee.

2491.   Do students have access to world-class labs at partners? — Yes, examples include UB's clean rooms, digital manufacturing, supercomputing, UAV structures, etc.

2492.   Are student organizations, clubs, and research emphasised? — Yes, partner universities offer extensive clubs, research, and co-op/internship opportunities.

2493.   Are 2+2 programme offerings expected to continue beyond 2025–26? — The brochures present AY 2025–26 offerings with the expectation of ongoing cohorts subject to updates.

2494.   Can programme specifics evolve with time? — Yes, course lists, mappings, and fees can change as per institutional policies and annual updates.

2495.   Are applicants expected to apply to both BITS and the partner? — Yes, applicants must meet both institutions' admission criteria and complete both application processes when prompted.

2496.   Are the BITS campuses involved across Pilani, Goa, and Hyderabad? — Yes, based on discipline, Year 1–2 study is at a specified BITS campus.

2497. Is dual admission clearly regulated per UGC guidance? — Yes, dual-degree offerings are in the same subject area and level, requiring independent admissions to both institutions.

2498. Are calendars and iteration schedules tailored per partnership? — Yes, UBITS and RPI schedules list their own iteration and reporting dates; BITSAT global dates also apply.

2499. Do partners outline typical tuition escalations annually? — Yes, UB/RPI/ISU/CS Paris note their historical or cap increases per academic year or calendar year.

2500. Are summer sessions at partners charged separately? — Yes, summer enrolments at partners are additional, typically billed per course.

2501. BITS Pilani Eligibility (Baseline) (31–45)

2502. What baseline BITS eligibility applies to all 2+2 applicants? — 12th-grade (10+2) with PCM, 75% aggregate in PCM, and 60% in each PCM subject, plus adequate English proficiency.

2503. Is BITSAT mandatory for entry to the 2+2 programmes? — Yes, admissions are purely merit-based on BITSAT-2025, with institute-set cut-offs.

2504. Are both theory and practical considered in class 12 percentage? — Yes, per BITSAT brochure, for standard B.E./M.Sc. eligibility.

2505. Can 2024 or 2025 12th-pass candidates apply? — Yes, with detailed conditions on attempts, improvements, and result availability by June 30, 2025.

2506. Are current BITS campus enrollees eligible for BITSAT-2025? — No, currently enrolled BITS students cannot appear for BITSAT-2025.

2507. Do CAIE/IB candidates have specific subject-level requirements? — Yes, CAIE at A Level and IB at Higher Level in the required subjects.

2508. Do PCB students have separate pathways? — Yes, PCB candidates can apply to B.Pharm. or B.E. Environmental & Sustainability Engineering; 2+2 engineering requires PCM.

2509. Is a separate BITS admission form post-BITSAT needed? — Yes, candidates submit their 12th marks and programme preferences online in June.

2510. Can applicants opt to take BITSAT twice? — Yes, BITSAT-2025 has Session-1 and Session-2; the higher of the two scores counts for admission.

2511. Are test cities extensive and include international options? — Yes, many cities across India plus Dubai and Kathmandu are provisioned (final list based on demand).

2512. Is slot booking required by candidates? — Yes, candidates select date/slot; if not booked in time, the system auto-allocates based on preferences.

2513. Is there negative marking in BITSAT? — Yes, +3 for correct, −1 for incorrect; 130 questions plus optional 12 extra if all 130 attempted.

2514. Does BITSAT use randomised question sets? — Yes, sets are comparable and moderated.

2515.   Are PWD accommodations addressed? — Yes, applicants with benchmark disabilities should contact BITS for exam support as per RPwD Act.

2516.   Are admissions communications only via official website? — Yes, candidates must rely on www.bitsadmission.com; beware of fraud or agents.

2517.   UBITS (BITS–UB) Admissions & Eligibility (46–85)

2518.   On what basis are UBITS admissions made? — Purely on BITSAT merit and meeting BITS/UB minimum eligibility criteria.

2519.   When is the UB admission process for UBITS handled? — During Year 2 of the programme.

2520.   What Indian board minimums does UB require? — AISSC/ISC minimum average 65%; State Board HSC minimum average 70% (graded academic subjects only).

2521.   What math requirement does UB specify? — Completion of HSC Mathematics/HSC Mathematics with minimum grade 60%.

2522.   How can non-Indian secondary qualifications be considered? — By meeting UB's country-specific entry criteria published by UB.

2523.   What is the general UB English proficiency requirement? — Evidence per UB's official published English proficiency policies; test taken within 2 years of programme commencement.

2524.   Which English tests and minimums are cited by UB for undergraduate admission consideration? — TOEFL iBT 70; TOEFL Essentials 8.5; TOEFL PBT/ITP 523; IELTS 6.0; PTE 50; ACT English+Reading 18; SAT ERWS 500; CAEL 70; CanTEST 4.5; Cambridge CPE/CAE 185; IB HL English 4; AS/A Level English at C; Duolingo 105.

2525.   Does UB accept TOEFL MyBest scores? — Yes, if sent officially by ETS to UB (code 2925); self-reported MyBest not accepted.

2526.   Are test scores valid beyond two years? — No, scores must be under two years at the time of admission.

2527.   Must official scores be sent directly to UB? — Yes, from the testing agency; scanned copies may be used for initial review.

2528.   Are there UBITS-specific sub-score thresholds for ELI placement? — Yes, ELI 105 placement requires minimum sub-scores (TOEFL Reading 21, Listening 21, Speaking 23, Writing 24; IELTS each 6.5; Duolingo thresholds Reading 120, Listening 115, Speaking 135, Writing 140; PTE Reading 61, Listening 57, Speaking 65, Writing 74).

2529.   What happens if sub-scores are below ELI 105 thresholds? — Students are placed in ELI 100 and then take ELI 105 remotely in summer 2026 upon passing ELI 100 with grade C or higher.

2530.   What CGPA is required at BITS to progress to UB in Year 3? — Minimum BITS CGPA 6.0 at the end of the first two years.

2531.	What minimum BITS course grade applies to UB degree-requirement courses? — No BITS course fulfilling a UB degree requirement may have a grade below D (grade point 4.0).

2532.	What about UB online prerequisite courses taken during Years 1–2? — Students must earn passing grades (D or better) in UB online prerequisite courses for later UB degree requirements.

2533.	What visa category is required for UB progression? — F-1 student visa; UB issues I-20 after admission and financial sufficiency; students must apply successfully.

2534.	Where can F-1 application information be found for UB? — On UB's international admissions/visa guidance site as referenced.

2535.	Are UB programmes ABET-accredited? — Yes, UB engineering programmes in this partnership are ABET-accredited.

2536.	Are UB capstones required? — Yes, senior-year capstone design spanning fall and spring, commonly industry-partnered.

2537.	Are internships and co-ops available at UB? — Yes, with CPT options up to 365 days during the bachelor's programme for F-1 students.

2538.	Is post-completion OPT available for UBITS? — Yes, 12 months (often STEM-eligible extended to 24 months for engineering fields, per prevailing U.S. rules).

2539.	Do UB facilities include advanced labs and computing? — Yes, including clean room, digital manufacturing lab, CNC/3D printing, simulators, UAV structures, and supercomputing.

2540.	What clubs and organisations does UB SEAS offer? — Over 45 science/engineering clubs, plus international student clubs.

2541.	When will the UBITS admission form be made available by BITS? — Tentatively on June 1, 2025, on the BITS admissions website.

2542.	What details must UBITS applicants submit on BITS portal? — 12th marks and programme preferences across BITS campuses and UB.

2543.	Must UB independently confirm eligibility? — Yes, UB verifies Year 12 marks and English proficiency before confirming with BITS.

2544.	Are both institutions' requirements mandatory for entry? — Yes, applicants must meet BITS and UB minimums to proceed.

2545.	How many UBITS programmes are slated for AY 2025–26? — Five BITS–UB pairings across CS, EEE, ECE, and ME as listed.

2546.	Do UBITS students register for Practice School/Thesis at BITS? — No, UBITS replaces PS II/Thesis with two capstone projects at partner.

2547.	Are credit/unit conversions clearly described for UBITS? — Yes, planned on 1 BITS unit ≈ 1 UB credit; capstone at UB equals 4 BITS units each; final equivalence set by committees.

2548.   UBITS Fees, Scholarships, and Calendar (86–125)

2549.   What BITS-side tuition applies for UBITS Year 1 (2025)? — INR 8,42,700 annual (INR 4,21,350 per semester).

2550.   What BITS-side summer fee after Year 1 (2026)? — INR 1,47,500 (35% of semester tuition).

2551.   What BITS-side tuition applies for UBITS Year 2 (2026)? — INR 8,84,800 annual (INR 4,42,400 per semester).

2552.   What non-tuition fees are listed at BITS? — Admission fee INR 60,500; Student Union INR 450/year; Student Aid INR 225/year; hostel/mess/electricity advances; other advances; caution deposit INR 3,000.

2553.   Are hostel fees uniform across BITS campuses? — Yes: INR 32,700 per semester; INR 16,350 in summer (if registered).

2554.   What mess & electricity advances are listed? — INR 10,000 per semester; INR 5,000 in summer; adjustable at term end.

2555.   What are "Other Advances" at BITS? — INR 12,000 per semester, adjustable at term end.

2556.   Are fees revised annually at BITS? — Yes, semester, summer, and hostel fees are revised upward yearly.

2557.   Is the BITS summer fee charged both summers? — No, only once across Year 1 or Year 2 summer, depending on progression needs.

2558.   Are all BITS fees paid in advance? — Yes, fees are payable in advance.

2559.   Which BITS items are refundable later? — Only caution deposit and mess advance (after adjusting dues).

2560.   Do UB Years 3–4 fees use UB's nonresident schedule? — Yes, UB's current nonresident tuition and fees per semester/academic year apply and are updated annually.

2561.   What indicative UB tuition is shown in UBITS fee sheet per semester (2024–25 rate)? — USD 15,767.77 per semester (USD 31,535.54 per year; brochure also cites USD 31,735.54 annually for AY 2024–25 in main brochure).

2562.   Do UB fees change annually? — Yes, historically 2–4% increases per year, finalized each late August.

2563.   Are UB summer sessions charged extra? — Yes, on a per-course basis.

2564.   What proportion of UBITS students are projected to receive UB scholarships? — About 70% receive between USD 7,000 and USD 3,000 per year for two years.

2565.   What are the UBITS scholarship bands at UB? — Top 10%: USD 7,000/year; next 15%: USD 5,000/year; next 45%: USD 3,000/year; remaining 30%: no scholarship.

2566.   What determines UBITS scholarship awards? — Successful engagement and academic performance in the first two BITS years.

2567.   What GPA must UBITS students maintain at UB to keep the scholarship? — At least UB GPA 3.0 (per fee sheet note).

2568.   Are BITS students in Years 1–2 eligible for special UBITS BITS scholarships? — No special category; they may compete for regular BITS Merit/MCN, with waivers capped at standard levels.

2569.   When does UB Fall Semester begin for UBITS-linked UB courses (ELI/EAS)? — In the UBITS calendar, UB Fall classes (e.g., ELI 100/105, EAS 360) commence around August 25, 2025.

2570.   What are the UBITS Iteration I–III key dates? — Iteration I admit/waitlist on July 12, 2025; accept offer by July 16; Iteration II on July 18; balance by July 21; withdrawal window July 19–22; Iteration III on July 23; documents & UB English score deadline July 25; balance by July 26.

2571.   When do UBITS students report and start at BITS? — Reporting late July; programme-specific orientation August 4 (evening); registration and class-work begin August 4–5, 2025.

2572.   What is the last day for substitution of courses (Sem 1 UBITS)? — August 18, 2025.

2573.   When is Ganesh Chaturthi and Milad-un-Nabi at BITS? — August 27, 2025 and September 6, 2025, respectively.

2574.   When are Sem 1 mid-sem exams for UBITS? — October 6–11, 2025.

2575.   What UB Fall breaks appear in UBITS calendar? — UB Fall Semester Break Oct 13–14, 2025; Thanksgiving Break Nov 26–29, 2025.

2576.   When do BITS comprehensive exams occur (Sem 1 UBITS)? — Start December 1, 2025; end December 16, 2025.

2577.   When do UB Fall courses end (UBITS)? — Last UB class Dec 8, 2025; UB final exams Dec 10–16, 2025.

2578.   When is UBITS Sem 2 registration and start at BITS? — Registration Jan 5, 2026; class-work begins Jan 6, 2026.

2579.   When does UB Spring semester begin (UBITS)? — January 21, 2026.

2580.   When are Sem 2 mid-sems at BITS (UBITS)? — March 9–14, 2026.

2581.   When is UB Spring break (UBITS)? — March 16–21, 2026.

2582.   When do UB Spring classes and finals happen (UBITS)? — Last UB class May 5, 2026; UB finals May 7–14, 2026.

2583.   When do BITS comprehensive exams occur (Sem 2 UBITS)? — Begin May 2, 2026; end May 16, 2026.

2584.   When does the BITS summer term run (UBITS)? — May 21–July 19, 2026 (overlaps summer vacation for non-enrolled).

2585.   What national holidays are included in UBITS calendar? — Independence Day Aug 15, 2025; Janmashtami Aug 16, 2025; Gandhi Jayanti Oct 2, 2025; Republic Day Jan 26, 2026; etc.

2586.   Are compensatory classes specified for late Iteration IV admits? — Yes, late reporters get compensatory classes to cover backlog.

2587.   Are English test deadlines explicitly stated for UBITS? — Yes, UB English eligibility test scores/details due July 25, 2025 via online portal.

2588.   Does UBITS explicitly integrate UB ELI/EAS courses in Year 1 BITS semesters? — Yes, ELI 100/105/EAS 360 appear as UB-offered online components during BITS semesters per calendar.

2589.   BITS–RPI Admissions & Eligibility (126–160)

2590.   What is the basis of BITS–RPI admission? — Pure merit via BITSAT-2025, plus meeting BITS and RPI minimum eligibility.

2591.   What BITS CGPA must be maintained to progress to RPI? — Minimum BITS CGPA 4.5 at end of two BITS years.

2592.   What are RPI English proficiency minimums? — TOEFL ≥88; IELTS ≥7.0; Duolingo ≥115; PTE ≥59.

2593.   When should the English test be completed for RPI? — Preferably by Fall of Year 2 at BITS or earlier, before applying to RPI.

2594.   What visa is required to progress to RPI? — U.S. F-1 student visa; RPI ISSS provides guidance.

2595.   Which programmes are BITS–RPI offerings? — B.E. EEE to BS EE (RPI); B.E. ME to BS ME (RPI) starting AY 2025–26.

2596.   When is the BITS–RPI application form available? — Tentatively by June 3, 2025, on BITS admissions website.

2597.   What must candidates submit for BITS–RPI applications? — 12th marks and preferences across BITS and RPI programmes.

2598.   What BITS-side fees apply in Years 1–2 (RPI)? — Same as other 2+2: Year 1 INR 8,42,700; Year 2 INR 8,84,800; Summer after Year 1 INR 1,47,500 (if required).

2599.   What RPI tuition escalation is noted? — Typically 2–4% annually.

2600.   What RPI tuition baseline is referenced in RPI fee sheet? — Around USD 87,752/year (2025–26 rate) as an indicative figure.

2601.   Do RPI scholarships apply to Years 3–4? — Yes, Engineering Cohort Merit Scholarships up to USD 25,000–30,000 per year for two years.

2602.	Who is eligible for RPI scholarship bands? — Top 75% of the BITS–RPI cohort based on first two BITS years' performance.

2603.	Must RPI students major in engineering to retain scholarships? — Yes, plus full-time enrolment with minimum of 12 credit hours of engineering coursework each semester and RPI GPA ≥2.0.

2604.	Are housing/food separate at RPI? — Yes, listed on RPI cost-of-attendance pages.

2605.	What does "admitted to RPI" entail for scholarships? — Students must be fully admitted to RPI and meet English and academic requirements.

2606.	Are calendrical admissions iterations for RPI identical to UBITS? — Separate BITS–RPI calendar exists (in a different PDF), but the principle of iterations and reporting is similar.

2607.	Do BITS–RPI students do capstones instead of PS II/Thesis? — Yes, two capstone projects replace PS II/Thesis.

2608.	Do RPI Year 3–4 courses include labs and PD? — Yes, labs (e.g., Mechanical Systems, Thermal & Fluids; ECSE labs), and PD courses.

2609.	Do RPI courses satisfy BITS open/discipline electives? — Yes, via mapped equivalence to meet BITS graduation requirements.

2610.	Is the RPI progression CGPA lower than UB's? — Yes, RPI requires ≥4.5 CGPA versus UB's ≥6.0 CGPA at BITS.

2611.	Does RPI require higher English than UB minimums? — Yes, RPI thresholds (TOEFL 88, IELTS 7.0) are higher than UB's minimums (e.g., TOEFL 70, IELTS 6.0).

2612.	Are RPI English tests required before applying? — Yes, tests should be completed before the RPI application in Year 2.

2613.	Are RPI course sequences tentative? — Yes, exact schedules set by RPI advisors on arrival.

2614.	Are credit conversions handled formally? — Yes, mapped course-by-course with BITS disciplines and electives.

2615.	Are visa processes supported by RPI ISSS? — Yes, ISSS offers comprehensive visa guidance.

2616.	Are BITS–RPI applications separate from general BITS admissions? — Yes, a separate application for the collaboration is needed alongside BITSAT.

2617.	Are 2+2 announcements specific to Pilani campus for RPI? — Yes, the 2025–26 intake lists Pilani campus for Year 1–2.

2618.	Are language tests available frequently in India? — Yes, held regularly in major cities; early preparation is recommended.

2619. Can students strengthen English early to meet RPI thresholds? — Yes, the brochure advises preparing as soon as possible.

2620. Is the RPI scholarship guaranteed for all? — No, eligibility and award level depend on cohort ranking and meeting conditions.

2621. Do RPI fees include summer courses? — No, summer costs are additional and per-course.

2622. Are RPI fee increases annual? — Yes, typically annual with 2–4% increments noted.

2623. Are living costs and amenities fees included? — No, separate per RPI's cost pages.

2624. Are post-arrival course adjustments possible at RPI? — Yes, via advisor-set schedules and approved equivalencies.

2625. BITS–ISU Admissions & Eligibility (161–190)

2626. What is the basis for BITS–ISU admissions? — Pure BITSAT merit, plus meeting BITS and ISU minimum eligibility.

2627. What BITS CGPA must be maintained to progress to ISU? — Minimum BITS CGPA 5.75 at the end of two years.

2628. What minimum BITS course grade applies for ISU-degree courses? — No BITS course fulfilling an ISU degree requirement may have below C− (grade point 5.0).

2629. What are ISU English proficiency thresholds? — TOEFL ≥99; IELTS ≥7.5; Duolingo ≥130; PTE ≥72; SAT Reading/Writing ≥600; ACT English ≥26.

2630. When should English tests be completed for ISU? — Preferably by Fall of Year 2 or earlier, before ISU application.

2631. What visa is required to progress to ISU? — U.S. F-1 student visa; ISU's ISSO provides guidance.

2632. What BITS–ISU pairings are listed? — ECE (Pilani) to EE (ISU); EEE (Goa) to EE (ISU); ME (Goa) to ME (ISU); CS (Hyderabad) to CE (ISU).

2633. When is the BITS–ISU application form available? — Tentatively by June 5, 2025, on BITS admissions site.

2634. What must be submitted for BITS–ISU application? — 12th marks and preferences across BITS and ISU offerings.

2635. What BITS-side fees apply in Years 1–2 (ISU)? — Same baseline: Year 1 INR 8,42,700; Year 2 INR 8,84,800; Summer INR 1,47,500 (if required).

2636. What indicative ISU tuition is cited? — USD 34,492 per year (2025–26 rate) noted; engineering may have higher tuition than base listed CoA page.

2637.   Are annual fee increases at ISU typical? — Yes, typically 3–4% per year (subject to rounding).

2638.   Are ISU scholarships available for Years 3–4? — Yes, ISU Engineering Cohort Merit Scholarship up to USD 4,500/year for two years based on BITS CGPA banding.

2639.   What ISU scholarship bands by BITS CGPA are shown? — >9.0: USD 4,500; >8.0<9.0: USD 4,000; >7.0<8.0: USD 3,500; >6.0<7.0: USD 3,000; <6.0: No scholarship.

2640.   What are ISU scholarship continuation conditions? — Maintain full-time engineering with ≥9 credit hours of engineering coursework each semester, ISU GPA ≥2.5, and meet English thresholds.

2641.   Are living costs and amenities fees separate at ISU? — Yes, detailed on ISU cost-of-attendance pages.

2642.   Are ISU scholarship amounts guaranteed? — No, amounts depend on BITS CGPA and maintaining criteria.

2643.   Does ISU publish cost pages and programme-specific tuition? — Yes, with notes that engineering majors have higher rates.

2644.   Are calendars for BITS–ISU iterations provided here? — Not in this file; general BITSAT timelines and separate BITS academic calendars apply.

2645.   Is the ISU CGPA threshold stricter than RPI's? — Yes, ISU requires ≥5.75 at BITS; RPI requires ≥4.5; UB requires ≥6.0.

2646.   Is ISU's English threshold stricter than UB's and RPI's? — Yes, TOEFL 99 and IELTS 7.5, higher than UB 70/6.0 and RPI 88/7.0.

2647.   Does ISU accept SAT/ACT for English proficiency? — Yes, SAT ERW ≥600 and ACT English ≥26 are accepted.

2648.   Are BITS–ISU applications dual-portal? — Yes, BITS plus ISU steps, with ISU validation of eligibility.

2649.   Do BITS–ISU students undertake capstones at ISU? — The brochure emphasizes programme completion at ISU with engineering requirements including design; specifics per ISU curricula.

2650.   Are summers at ISU charged separately? — Yes, summer session costs are additional.

2651.   Is visa processing supported by ISU offices? — Yes, by ISSO.

2652.   Is English test planning advised early? — Yes, start as soon as possible to meet higher thresholds.

2653.   Are scholarships tied to BITS CGPA only? — CGPA bands determine level; must also satisfy ISU major, load, GPA, and English maintenance.

2654.   Is the 2+2 structure the same at ISU? — Yes, two years at BITS followed by two at ISU.

2655. Are programme offerings campus-specific at BITS for ISU? — Yes, disciplines are mapped to Pilani, Goa, and Hyderabad as listed.

2656. BITS–CS Paris Admissions & Eligibility (191–220)

2657. What is the basis for BITS–CS Paris admissions? — BITSAT merit and meeting both BITS and CS Paris minimum eligibility.

2658. When does CS Paris admission assessment occur? — During the first year of the programme.

2659. What Indian board minimums does CS Paris require? — AISSC/ISC minimum average 65%; State Board HSC minimum average 70% in graded academic subjects.

2660. What math requirement is specified for CS Paris? — HSC Mathematics with at least 60%.

2661. What about non-Indian secondary credentials for CS Paris? — Must meet CS Paris criteria by country or high school programme type.

2662. What English proficiency does CS Paris require? — Evidence of C1 level English via tests (Cambridge C2 ≥180; Cambridge C1 180–199; IELTS 7.0–8.0; PTE 76–84; TOEFL 95–120; TOEIC L&R 945–990) or exemption if high school was in English (IB, American, British schools), or a BITS faculty certificate confirming C1 by Dec 31, 2026.

2663. Does CS Paris prefer results sent electronically? — Yes, directly from the issuing organization when possible.

2664. Are photocopies acceptable initially? — Yes, for initial review; official verification later.

2665. Which BITS–CS Paris programmes are listed for AY 2025–26? — B.E. CS (BITS Pilani or Goa) to B.E. Computer Science & Artificial Intelligence (CS Paris).

2666. What are BITS-side fees (Years 1–2) for CS Paris? — Year 1 INR 8,42,700; Summer INR 1,47,500; Year 2 INR 8,84,800 (plus non-tuition fees per BITS fee page).

2667. What are CS Paris tuition figures for Years 3–4? — EUR 22,000 per year (2025–26 rate), adjustable typically 1–2% per year.

2668. Are CS Paris scholarships available? — Yes, Engineering Cohort Merit Scholarships up to EUR 12,000/year for two years, with about 70% of students receiving EUR 12,000/6,000/3,000 per year based on performance in first two BITS years.

2669. What scholarship bands are listed for CS Paris? — Top 10%: EUR 12,000; next 15%: EUR 6,000; next 45%: EUR 3,000; remaining 30%: no scholarship.

2670. Are BITS Merit/MCN scholarships available in Years 1–2 for CS Paris students? — No special category; they may compete with all BITS students under standard caps and criteria.

2671. What visas and permits are required for CS Paris Years 3–4? — French student visa via France-Visas, and arrival procedures including residence permit as required.

2672. When is the CS Paris application form available at BITS? — Tentatively June 1, 2025; submit by the posted deadline (June 30, 2025 noted).

2673. Are English exemptions possible for CS Paris? — Yes, for IB/American/British high-school graduates, or via BITS faculty C1 certificate by Dec 31, 2026.

2674. Is the CS Paris increase smaller than U.S. partners? — Yes, typical 1–2% per year vs. 2–4%/3–4%/up to 7.5% at others.

2675. Are living/insurance/residence costs separate at CS Paris? — Yes, additional and detailed on CS Paris programme guide.

2676. Are capstones part of CS Paris structure? — The CS Paris brochure emphasizes a bachelor's degree completion; BITS capstone requirements are met via the partner's project work analogous to UB/RPI models.

2677. Are Year 3–4 UB/RPI-like online prerequisites mentioned for CS Paris? — Not specifically; English and academic progression are the key gatekeepers.

2678. Are academic performances at BITS used to rank CS Paris scholarships? — Yes, first two-year engagement and performance determine scholarship tiers.

2679. Do CS Paris students also skip BITS PS II/Thesis? — Yes, 2+2 cohorts replace PS II/Thesis with partner capstone equivalents.

2680. Are CS Paris degrees aligned at the same qualification level? — Yes, in the same subject/level under UGC guidance.

2681. Is there an English faculty attestation deadline? — Yes, December 31, 2026, for C1 attestation if using the BITS certificate route.

2682. Are admissions purely merit-based for CS Paris? — Yes, BITSAT-based merit and meeting both institutions' eligibility.

2683. Are French residence rules explained? — Arrival conditions include obtaining a residence permit; specifics provided by CS upon arrival.

2684. Is the CS Paris partner a top-ranked engineering school? — Yes, CentraleSupélec is a leading elite school and a founding member of Paris-Saclay University.

2685. Are students expected to comply with CS Paris document processes? — Yes, official documents and timely submissions are required.

2686. Do CS Paris increases occur at academic year start? — Yes, adjustments typically at academic year start by 1–2%.

2687. Direct Admission to Board Toppers (221–245)

2688. Who is eligible for direct admission as board toppers? — First rank students (science stream) in Central or State boards in 2025, PCM or PCB, as per board announcements.

2689.   Is BITSAT required for board toppers? — No, direct admission to the programme of choice is available, subject to minimum marks criteria.

2690.   What are the minimum marks for toppers? — Aggregate 75% in PCM/PCB and at least 60% in each of the PCM/PCB subjects in class 12.

2691.   What programmes can PCB toppers opt for? — B.Pharm. or B.E. Environmental & Sustainability Engineering only.

2692.   How is the "topper" identified? — Highest aggregate percentage among those who took PCM/PCB in 2025 from that board, counting Physics, Chemistry, and Mathematics/Biology plus other subjects.

2693.   If multiple toppers are declared, how many can be admitted? — Up to four candidates under the scheme per board; if more than four, a tie-break applies.

2694.   What tie-break criteria are used for PCM toppers? — Mathematics 12th marks, then Physics, then Chemistry; if still tied, 10th Mathematics, then 10th Science; further criteria may include a written test as decided.

2695.   What tie-break criteria are used for PCB toppers? — Replace "Mathematics" with "Biology" in the above sequence for PCB stream.

2696.   What documents must toppers submit? — 12th mark sheet and a board letter declaring the candidate as the topper in the specified stream.

2697.   Is the institute guided by board-provided data? — Yes, institute relies on official board data for topper identification.

2698.   What if board data is insufficient or inconclusive? — The committee may decide not to make offers under the scheme for that board; the Vice-Chancellor's decision is final.

2699.   What is the submission deadline for topper applications? — On or before June 30, 2025.

2700.   Can toppers access the new 3+2 BE+MBA inter-campus programme? — Yes, toppers may opt for the newly introduced 3+2 integrated programme.

2701.   Does direct admission guarantee any specific campus? — Programme choice is honoured as per eligibility; campus/programme availability applies.

2702.   Are toppers bound to standard academic policies post-admission? — Yes, they must meet academic standards and institute regulations.

2703.   Are scholarships automatically granted to toppers? — Not automatic; BITS Merit/MCN policies apply as per performance and caps.

2704.   Are toppers permitted to join 2+2 collaborations? — If they meet eligibility for those programmes, they can apply accordingly.

2705.   Is the scheme valid only for 2025 board toppers? — Yes, for the 2025 cycle per the document.

2706.   Does the scheme apply across all boards recognized by COBSE? — Yes, as long as the board is recognized and data is provided.

2707.   Do toppers in PCB have restrictions beyond programme choice? — They cannot opt for core PCM-based engineering except the two eligible programmes.

2708.   Are improvements or re-evaluation marks considered for topper status? — Board announcements govern topper recognition; institute follows official board data.

2709.   Is a dispute mechanism provided within the scheme? — Final authority lies with the Vice-Chancellor, and additional criteria can be added if needed.

2710.   Can a topper decline direct admission? — Yes, they may choose to enter via general admissions or other institutions.

2711.   Are toppers required to prove identity and authenticity? — Yes, official documents and verification are mandatory.

2712.   Where can detailed forms and procedures be found? — On the BITS admissions website around the second week of June 2025.

2713.   BITSAT-2025 Core Rules (246–275)

2714.   How many times can a candidate appear for BITSAT-2025? — Up to two times (Session-1 and Session-2).

2715.   How is the admission score determined if a candidate appears twice? — The higher of the two scores is considered.

2716.   How long is each BITSAT session? — 3 hours, without a break.

2717.   How many questions are there in BITSAT? — 130 questions, with an optional 12 extra if all 130 are attempted.

2718.   What is the marking scheme? — +3 for correct, −1 for incorrect, 0 for unattempted.

2719.   Which subjects are covered? — Physics, Chemistry, English Proficiency, Logical Reasoning, and Mathematics (or Biology for B.Pharm./E&S).

2720.   Can candidates go back to change answers? — Yes, among the initial 130 questions; but once extra questions are opted, earlier responses cannot be changed.

2721.   Are calculators permitted? — No, calculators/log tables are not allowed; scratch pads are provided.

2722.   Is the test computer-based? — Yes, fully computer-based with randomised question sets.

2723.   How are errors in questions handled? — Report to invigilator; post-test moderation awards appropriate credit as per guidelines.

2724. What application fees apply for one or two sessions (India centers)? — Session-1 only: INR 3,500 (male)/3,000 (female/transgender); both sessions: INR 5,500 (male)/4,500 (female/transgender); add-on Session-2: INR 2,000 (male)/1,500 (female/transgender).

2725. What fees apply for Dubai test center? — INR 7,150 for either session; INR 9,150 for both; add-on Session-2 INR 2,000.

2726. Are fees refundable? — No, non-refundable and non-transferable.

2727. When are BITSAT-2025 sessions scheduled? — Session-1: May 26–30, 2025; Session-2: June 22–26, 2025 (tentative).

2728. When is the admission application window to submit 12th marks/preferences? — June 1–30, 2025 (tentative).

2729. When is editing of marks/preferences allowed? — July 3–5, 2025 (tentative).

2730. When is Iteration-I list announced (general BITS)? — July 9, 2025 (tentative), noting UBITS/RPI have their own iteration dates in their calendars.

2731. What are tie-breakers for same BITSAT scores? — Math/Biology score, then Physics, then Chemistry, then 12th PCM/PCB total, then female candidate preference, then oldest application.

2732. How are test slots assigned if candidates don't book? — System auto-allocates based on preferences and availability.

2733. What is the BITSAT syllabus source? — NCERT syllabus for 11th and 12th; annexure lists detailed topics.

2734. Are hall tickets mandatory? — Yes, must be downloaded and presented; centers are monitored (CCTV, biometrics).

2735. Is identity verification done at centers? — Yes, fingerprint and photograph are taken and matched at admission.

2736. Are disputes under BITSAT jurisdiction-limited? — Yes, jurisdiction lies with Pilani; Vice-Chancellor's decision is final on conduct matters.

2737. Are contact points for fee payment issues provided? — Yes, a specific email for payment issues and a general BITSAT email for other queries.

2738. Can CAIE/IB candidates be eligible for 2+2 as well? — Yes, if they meet subject/score and partner requirements.

2739. Does BITS publish a recognized board list? — Yes, via COBSE; candidates should ensure board recognition.

2740. Does BITS caution about admission frauds? — Yes, zero tolerance for agents/unfair means; rely only on official channels.

2741. Does BITS offer institute Merit/MCN scholarships? — Yes, about 25% of FD students receive waivers each semester per set percentages.

2742.   Are female candidates favored in tie-breaking? — Yes, female candidate preference appears after academic tie-breakers.

2743.   Is improvement attempt policy described? — Yes, 2024 completers may reappear in specific subjects or full set if results are available by June 30, 2025.

2744.   Application Process and Dual-Portals (276–300)

2745.   Must candidates apply to BITS and the partner? — Yes, BITS application after BITSAT, and partner's portal as scheduled (e.g., UB in Year 2, RPI/ISU in Year 2, CS Paris in Year 1).

2746.   What does the BITS admissions form collect? — 12th marks, programme preferences across campuses and collaboration tracks, and application fee.

2747.   Do partners verify English independently? — Yes, each partner requires official test scores or approved alternatives.

2748.   Are English score deadlines partner-specific? — Yes, e.g., UB requires submission by July 25, 2025; RPI/ISU timing by Year 2 Fall or earlier.

2749.   Can initial scanned documents be used? — Yes, for initial review; official scores must be sent by the testing agency.

2750.   Are selection tasks mentioned for partners? — The RMIT guide mentions selection tasks; for UB/RPI/ISU/CS Paris, follow partner portal requirements (SOPs, visa history, etc., if required).

2751.   Are visa processes separate from admissions? — Yes, handled after admission offers and financial proof, via partner ISS/ISSO/consular sites.

2752.   Are funding proofs needed for I-20/visa? — Yes, UB and ISU require financial sufficiency evidence before issuing I-20.

2753.   Should candidates monitor multiple deadlines simultaneously? — Yes, BITS iterations, partner document deadlines, and English score submissions.

2754.   Can late submission risk loss of seat? — Yes, failure to meet any required deadline can jeopardize admission.

2755.   Should candidates apply early for English tests? — Yes, to meet stricter thresholds (especially ISU/CS Paris) and allow retakes if needed.

2756.   Are partner admissions contingent on meeting BITS progression CGPA? — Yes, partner progression requires minimum CGPAs and grade floors in mapped courses.

2757.   Are 2+2 applicants also considered for regular BITS programmes? — Yes, BITSAT candidates can also apply for full-duration BITS FD programmes.

2758.   Can candidates mix multiple 2+2 choices in preferences? — Yes, within BITS preference form; partner confirmations follow their criteria.

2759.   Are campus allocations governed by preferences and merit? — Yes, iterations allocate programmes/campuses based on merit and preferences.

2760.	Are emails and portals the primary communication channels? — Yes, always track official portals and emails.

2761.	Do partners accept only official score reports? — Yes, English test agencies must send scores directly to the partner institution.

2762.	Are course pre-requisites at BITS linked to partner progression? — Yes, BITS grades in mapped courses must meet floors (UB D, ISU C−) to count for partner degree paths.

2763.	Are online partner courses integrated during BITS Years 1–2? — Yes, UB ELI/EAS integration is calendarised; others may add online components as needed.

2764.	Are interviews required by partners? — Not stated; generally academic/English criteria drive decisions.

2765.	Can programme offerings evolve each year? — Yes, always check current brochures and websites.

2766.	Are applicants expected to maintain integrity and honesty? — Yes, misrepresentation leads to cancellation/rustication and legal action.

2767.	Are extra-curriculars beneficial but not admission drivers? — The brochures focus on academic merit and eligibility; ECs enrich experience but do not override criteria.

2768.	Is there a common June application timeline across collaborations? — Yes, UBITS (June 1), RPI (June 3), ISU (June 5) tentatives; final deadlines on BITS site.

2769.	Is programme capacity or seat count disclosed? — Not specified; selections proceed via merit and iterations.

2770.	UBITS Academic Composition & Capstones (301–320)

2771.	Do UBITS students complete two capstones instead of PS/Thesis? — Yes, two capstone projects at UB replace PS II/Thesis at BITS.

2772.	Are capstones industry-sponsored or research-led? — UB capstones can be industry-partnered or faculty-led research projects.

2773.	Do UB credits map one-to-one to BITS units? — Intended equivalence is 1 UB credit ≈ 1 BITS unit, with formal equivalency confirmed by committees.

2774.	How many UB capstone projects count for BITS? — Two capstones, each counted as 4 BITS units.

2775.	Are open/discipline/core categories defined for UBITS? — Yes, Annexure 1 provides category totals and unit distributions.

2776.	What is the grand total of BITS units required? — 144 BITS units, combining BITS and UB contributions per category.

2777. Which categories are included in UBITS structure? — Humanities, Science Foundation, Mathematics Foundation, Engineering Foundation, Technical Arts, General Awareness/Professional, Core, Discipline Electives, Open Electives, Capstone Projects.

2778. Are some courses at UB counted for BITS core/electives? — Yes, mapped equivalence ensures UB courses satisfy BITS degree categories.

2779. Can a few new courses be introduced if required? — Yes, to fulfil degree requirements and refine semester patterns.

2780. Does the Cross Campus Departmental Committee oversee mappings? — Yes, with Dean AUGS, reporting to the Senate.

2781. Are Year 1–2 BITS courses paired with UB online support? — Yes, language (ELI 100/105) and skills (EAS 360) support is embedded.

2782. Are UB semester breaks coordinated within BITS calendar windows? — UB Fall/Spring breaks are shown; BITS classes continue per BITS calendar.

2783. Are partner course end/exam dates different from BITS? — Yes, UB's last class/exam dates differ slightly from BITS comprehensive schedule.

2784. Is formal grade conversion done for UB credits? — Yes, converted to BITS units and grades for CGPA computation.

2785. Are partner course credit variations accommodated? — Yes, by equivalency and conversion policy.

2786. Are general awareness/professional courses part of BITS categories? — Yes, with 2 courses totaling 6 units at BITS.

2787. Are technical arts a distinct category? — Yes, typically 4 courses totaling 10 units (with possible UB contribution 0–1 course up to 3 units).

2788. Are humanities electives split between BITS and partner? — Yes, three total humanities courses are distributed across BITS and partner as per plan.

2789. Do students need to re-register PS/Thesis at BITS in Years 3–4? — No, capstones at partner fulfil that component.

2790. Are final degree audits done jointly? — Each institution audits its own requirements; mapped equivalence ensures alignment.

2791. RPI/ISU/CS Paris Academic Composition & Capstones (321–340)

2792. Do RPI pathways mandate two capstones equivalent at BITS? — Yes, two capstones replace Practice School/Thesis (e.g., Inventor's Studio/Multidisciplinary Design).

2793. Do RPI courses map to BITS core and discipline electives? — Yes, via detailed equivalence tables (provided in the separate mapping PDFs for ME/EEE).

2794. Are labs like Mechanical Systems Lab and Thermal & Fluids Lab integral at RPI? — Yes, and they map to BITS core/discipline electives.

2795. Are HASS (humanities) core electives counted toward BITS categories? — Yes, mapped as open/humanities electives at BITS.

2796. Are PD courses at RPI counted RPI-only or sometimes as extra open at BITS? — PD courses may be RPI-only or be counted as extra open electives at BITS where noted.

2797. Does ISU structure similarly include design and labs in Years 3–4? — Yes, ISU engineering programmes include required design experiences and labs.

2798. Does CS Paris structure include project-oriented completion? — Yes, CS Paris emphasises completing the engineering bachelor with mapped capstone-like experiences.

2799. Do partner electives cover computation/optimization topics? — Yes, e.g., numerical design optimization appears across partners.

2800. Are partner physics/math foundations continued? — Yes, e.g., Physics II in RPI mapping counted as BITS open/discipline elective.

2801. Are control systems and communications covered in EEE at partners? — Yes, e.g., ECSE 4560 maps to BITS Communication Systems, control/electronics are covered.

2802. Is VLSI core covered at partner EEE pathways? — Yes, analog IC design and VLSI courses map to BITS VLSI core.

2803. Are power systems/power electronics included in EEE mapping? — Yes, courses map to BITS Power Systems and Power Electronics.

2804. Are computation electives mandatory in some pathways? — Yes, certain computation/optimization courses are strongly advised/required.

2805. Do partner courses satisfy multiple BITS categories simultaneously? — By mapping, each partner course is assigned to a specific BITS category to avoid double counting.

2806. Are advisors at partners responsible for setting exact schedules? — Yes, advisors finalize study plans when students arrive.

2807. Can course availability affect mapping per semester? — Yes, mappings are flexible to account for availability while preserving requirements.

2808. Are language or academic readiness modules built-in? — Yes, UB includes ELI/EAS; others require English proof before matriculation.

2809. Do students need to maintain partner GPA thresholds? — Yes, to retain scholarships and remain in good standing (e.g., UB GPA ≥3.0; ISU ≥2.5; RPI ≥2.0, per scholarship notes).

2810. Are free electives at partners mapped to BITS open electives? — Yes, designated partner free electives often count as BITS open electives.

2811. Are engineering design projects central in partner Years 3–4? — Yes, capstones and design labs are central to the engineering curricula.

2812. Fees: BITS Baseline and Comparisons (341–360)

2813. What is the BITS admission fee for 2+2 entrants (AY 2025–26)? — INR 60,500.

2814. What is per-semester tuition at BITS in Year 1 (2025–26)? — INR 4,21,350 per semester.

2815. What is per-semester tuition at BITS in Year 2 (2026–27)? — INR 4,42,400 per semester.

2816. What is the BITS summer term fee (if registered)? — INR 1,47,500 in AY 2025–26; INR 1,54,800 in AY 2026–27.

2817. Are hostel fees per semester and summer fixed across campuses? — Yes, INR 32,700 per semester and INR 16,350 in summer.

2818. What are annual student union/aid fees? — INR 450 and INR 225, respectively.

2819. Are mess/electricity advances refundable? — They are advances adjustable at term end; excess is refunded/adjusted.

2820. Is the caution deposit refundable? — Yes, INR 3,000 refundable after dues settlement.

2821. Are all fees paid in advance? — Yes, in advance each semester/term.

2822. Are BITS summer terms always part of academic calendar? — Not always; only when specifically required and registered.

2823. Are government levies/taxes passed on? — Yes, to all students irrespective of entry year.

2824. How do partner escalations compare? — UB 2–4% per year; RPI 2–4% per year; ISU 3–4% per year; CS Paris 1–2% per year; RMIT (from other docs) up to 7.5% per calendar year.

2825. Are summer sessions at partners billed per course? — Yes, summer costs extra at UB/RPI/ISU and likely at CS Paris.

2826. Are amenities/insurance separate at partners? — Yes, mandatory health insurance, amenities, and living costs are separate.

2827. Are BITS scholarships (Merit/MCN) available to 2+2 Year 1–2 students? — Yes, but no special category; same caps and criteria as regular BITS students.

2828. Do partner scholarships apply only in Years 3–4? — Yes, partner cohort scholarships apply during partner years.

2829. Are payment plans or due dates listed in brochures? — General references only; detailed billing schedules come from each institution's accounts office.

2830. Are exchange-rate fluctuations a planning consideration? — Yes, for USD/EUR costs in Years 3–4.

2831.   Are hostel/mess optional for day scholars at BITS? — Hostel applies to on-campus residents only.

2832.   Are fee revisions guaranteed each year? — Tuition/hostel are revised upward annually; exact figures posted year-to-year.

2833.   Visas, Compliance, and International Elements (361–380)

2834.   What U.S. visa must UB/RPI/ISU students secure? — F-1 student visa.

2835.   What documents are needed for I-20 issuance (U.S.)? — Proof of admission and financial sufficiency as per university requirements.

2836.   Do partners provide international student support? — Yes, UB/ISU/RPI have ISS/ISSO/ISSS offices for visa and onboarding.

2837.   What French immigration steps must CS Paris students take? — Apply via France-Visas; upon arrival, comply with residence permit requirements.

2838.   Are English test scores mandatory for visas? — Visa processes may require proof of admission and finances; English is a partner academic requirement.

2839.   Can CPT be used at UB during studies? — Yes, up to 365 days of CPT during the bachelor's programme for internships/co-ops, per UB policy.

2840.   Is OPT available after completion at U.S. partners? — Yes, 12 months, with potential STEM extension (currently 24 months for engineering fields, subject to U.S. regulations).

2841.   Is health insurance mandatory abroad? — Yes, partner policies mandate student health insurance.

2842.   Are vaccinations/medical checks needed? — Partner institutions typically require immunizations per campus policy.

2843.   Are on-campus housing options available at partners? — Yes, housing details and costs are provided by each university.

2844.   Do partners run orientation for international students? — Yes, orientation and academic advising are provided upon arrival.

2845.   Are part-time work policies governed by visas? — Yes, U.S. F-1 and French student visas regulate on/off-campus work; rules must be followed.

2846.   Does failure to obtain visa affect programme standing? — Yes, inability to secure the visa would prevent progression to Years 3–4 abroad.

2847.   Can students defer partner entry if visa delays occur? — Subject to partner policies; coordination with both universities is required.

2848.   Should financial planning include currency and inflation risks? — Yes, exchange rates and annual tuition increases impact total cost.

2849. Are travel and relocation costs included in tuition? — No, these are separate personal expenses.

2850. Are external scholarships or loans acceptable for proof of funds? — Yes, per partner financial documentation criteria.

2851. Are spouse/dependent visas discussed? — Not in these brochures; consult partner ISS offices.

2852. Are visa processing times a critical path item? — Yes, early document submission is vital.

2853. Are academic delays at BITS likely to affect visa timing? — Possibly; meeting all progression and document deadlines mitigates risk.

2854. Operations, Calendars, and Iterations (381–400)

2855. When does UBITS Sem 1 class-work start at BITS? — August 5, 2025.

2856. When is UB Fall final exam window for UB courses? — December 10–16, 2025.

2857. When is BITS Sem 1 comprehensive exam window? — December 1–16, 2025.

2858. When do UB Spring courses begin for UBITS? — January 21, 2026.

2859. When do UB Spring finals occur? — May 7–14, 2026.

2860. When do BITS Sem 2 comprehensive exams occur? — May 2–16, 2026.

2861. When does BITS summer term run? — May 21–July 19, 2026.

2862. What are key UBITS Iteration I–III milestone dates? — Iteration I July 12, 2025; accept by July 16; Iteration II July 18; pay by July 21; withdrawal July 19–22; Iteration III July 23; documents by July 25; pay by July 26.

2863. What is the UB English test submission deadline? — July 25, 2025 via the designated portal.

2864. When is UBITS orientation by tele-presence? — August 4, 2025 at 5:30 PM IST (UB team online).

2865. Are national holidays integrated in UBITS calendar? — Yes, Indian holidays and UB breaks are listed.

2866. Are late reporters offered compensatory classes? — Yes, to cover one-week backlog for late iteration admits.

2867. For BITS–RPI, when are iterations similar to UBITS? — RPI has its own iteration schedule; broad alignment with BITSAT/June applications and July iterations is typical.

2868. Is the general BITSAT iteration timeline applicable across? — Yes, the general process applies; specific collaboration calendars add partner milestones.

2869.   Are iteration deadlines strict cut-offs? — Yes, failure to pay/confirm by deadlines risks forfeiture.

2870.   Can preferences be edited post-scores? — Yes, in a limited window (e.g., July 3–5, 2025).

2871.   Where are all official updates published? — On www.bitsadmission.com for BITS processes; partner websites/portals for partner steps.

2872.   Are scheduling conflicts between BITS and partner online classes addressed? — Calendars highlight windows; students must follow both schedules; academic teams coordinate.

2873.   Do academic advisors help sequence partner courses? — Yes, advisors finalize exact schedules upon entry to the partner.

2874.   What is the single most important operational rule? — Meet every BITS and partner deadline (BITSAT, applications, documents, English scores, fees, reporting) to secure progression and maintain standing.
